(A) when the transportation is by motor carrier, the transportation is provided in the United States;

(B) when the transportation is by water carrier to a place outside the United States, the transportation is provided by water carrier from a place in the United States to another place in the United States before transshipment from a place in the United States to a place outside the United States; and

(C) when the transportation is by water carrier from a place outside the United States, the transportation is provided by water carrier from a place in the United States to another place in the United States after trans-

shipment to a place in the United States from a place outside the United States.

(b) DEFINITIONS.—In this section, the terms “State” and “United States” include the territories and possessions of the United States.

SUBCHAPTER III—FREIGHT FORWARDER SERVICE

§ 13531. General jurisdiction

(a) IN GENERAL.—The Secretary and the Board have jurisdiction, as specified in this part, over service that a freight forwarder undertakes to provide, or is authorized or required under this part to provide, to the extent transportation is provided in the United States and is between—

- (1) a place in a State and a place in another State, even if part of the transportation is outside the United States;
- (2) a place in a State and another place in the same State through a place outside the State; or
- (3) a place in the United States and a place outside the United States.

(b) EXEMPTION OF CERTAIN AIR CARRIER SERVICE.—Neither the Secretary nor the Board has jurisdiction under subsection (a) of this section over service undertaken by a freight forwarder using transportation of an air carrier subject to part A of subtitle VII of this title.

SUBCHAPTER IV—AUTHORITY TO EXEMPT

§ 13541. Authority to exempt transportation or services

(a) IN GENERAL.—In any matter subject to jurisdiction under this part, the Secretary or the Board, as applicable, shall exempt a person, class of persons, or a transaction or service from the application, in whole or in part, of a provision of this part, or use this exemption authority to modify the application of a provision of this part as it applies to such person, class, transaction, or service, when the Secretary or Board finds that the application of that provision—

- (1) is not necessary to carry out the transportation policy of section 13101;
- (2) is not needed to protect shippers from the abuse of market power or that the transaction or service is of limited scope; and
- (3) is in the public interest.

(b) INITIATION OF PROCEEDING.—The Secretary or Board, as applicable, may, where appropriate, begin a proceeding under this section on the Secretary's or Board's own initiative or on application by an interested party.

(c) PERIOD OF EXEMPTION.—The Secretary or Board, as applicable, may specify the period of time during which an exemption granted under this section is effective.

(d) REVOCATION.—The Secretary or Board, as applicable, may revoke an exemption, to the extent specified, on finding that application of a provision of this part to the person, class, or transpor-

tation is necessary to carry out the transportation policy of section 13101.

(e) LIMITATIONS.—

(1) IN GENERAL.—The exemption authority under this section may not be used to relieve a person from the application of, and compliance with, any law, rule, regulation, standard, or order pertaining to cargo loss and damage, insurance, safety fitness, or activities approved under section 13703 or 14302 or not terminated under section 13907(d)(2).

(2) WATER CARRIERS.—The Secretary or Board, as applicable, may not exempt a water carrier from the application of, or compliance with, section 13701 or 13702 for transportation in the non-contiguous domestic trade.

§ 13701. Requirements for reasonable rates, classifications, through routes, rules, and practices for certain transportation

(a) REASONABLENESS.—

(1) CERTAIN HOUSEHOLD GOODS TRANSPORTATION; JOINT RATES INVOLVING WATER TRANSPORTATION.—A rate, classification, rule, or practice related to transportation or service provided by a carrier subject to jurisdiction under chapter 135 for transportation or service involving—

- (A) a movement of household goods,
 - (B) a rate for a movement by or with a water carrier in noncontiguous domestic trade, or
 - (C) rates, rules, and classifications made collectively by motor carriers under agreements approved pursuant to section 13703,
- must be reasonable.

(2) THROUGH ROUTES AND DIVISIONS OF JOINT RATES.—Through routes and divisions of joint rates for such transportation or service must be reasonable.

(b) PRESCRIPTION BY BOARD FOR VIOLATIONS.—When the Board finds it necessary to stop or prevent a violation of subsection (a), the Board shall prescribe the rate, classification, rule, practice, through route, or division of joint rates to be applied for such transportation or service.

(c) FILING OF COMPLAINT.—A complaint that a rate, classification, rule, or practice in noncontiguous domestic trade violates subsection (a) may be filed with the Board.

(d) ZONE OF REASONABLENESS.—

(1) IN GENERAL.—For purposes of this section, a rate or division of a motor carrier for service in noncontiguous domestic trade or water carrier for port-to-port service in that trade is reasonable if the aggregate of increases and decreases in any such rate or division is not more than 7.5 percent above, or more than 10 percent below, the rate or division in effect 1 year before the effective date of the proposed rate or division.

(2) ADJUSTMENTS TO THE ZONE.—The percentage specified in paragraph (1) shall be increased or decreased, as the case may be, by the percentage change in the Producers Price Index, as published by the Department of Labor, that has occurred during the most recent 1-year period before the date the rate or division in question first took effect.

(3) DETERMINATIONS AFTER COMPLAINT.—The Board shall determine whether any rate or division of a carrier or service in noncontiguous domestic trade which is not within the range described in paragraph (1) is reasonable if a complaint is filed under subsection (c) or section 13702(b)(6).

(4) REPARATIONS.—Upon a finding of violation of subsection (a), the Board shall award reparations to the complaining shipper or shippers in an amount equal to all sums assessed and collected that exceed the determined reasonable rate, division, rate structure, or tariff. Upon complaint from any governmental agency or authority and upon a finding or violation of subsection (a), the Board shall make such orders as are just and shall require the carrier to return, to the extent practicable, to shippers all amounts plus interest, which the Board finds to have been assessed and collected in violation of subsection (a).

§ 13702. Tariff requirement for certain transportation

(a) IN GENERAL.—Except when providing transportation for charitable purposes without charge, a carrier subject to jurisdiction under chapter 135 may provide transportation or service that is—

(1) in noncontiguous domestic trade, except with regard to bulk cargo, forest products, recycled metal scrap, waste paper, and paper waste; or

(2) for movement of household goods; only if the rate for such transportation or service is contained in a tariff that is in effect under this section. The carrier may not charge or receive a different compensation for the transportation or service than the rate specified in the tariff, whether by returning

a part of that rate to a person, giving a person a privilege, allowing the use of a facility that affects the value of that transportation or service, or another device. A rate contained in a tariff shall be stated in money of the United States.

(b) **TARIFF REQUIREMENTS FOR NONCONTIGUOUS DOMESTIC TRADE.**—

(1) **FILING.**—A carrier providing transportation or service described in subsection (a)(1) shall publish and file with the Board tariffs containing the rates established for such transportation or service. The carriers shall keep such tariffs available for public inspection. The Board shall prescribe the form and manner of publishing, filing, and keeping tariffs available for public inspection under this subsection.

(2) **CONTENTS.**—The Board may prescribe any specific information and charges to be identified in a tariff, but at a minimum tariffs must identify plainly—

(A) the carriers that are parties to it;

(B) the places between which property will be transported;

(C) terminal charges if a carrier provides transportation or service subject to jurisdiction under subchapter III of chapter 135;

(D) privileges given and facilities allowed; and

(E) any rules that change, affect, or determine any part of the published rate.

(3) **INLAND DIVISIONS.**—A carrier providing transportation or service described in subsection (a)(1) under a joint rate for a through movement shall not be required to state separately or otherwise reveal in tariff filings the inland divisions of that through rate.

(4) **TIME-VOLUME RATES.**—Rates in tariffs filed under this subsection may vary with the volume of cargo offered over a specified period of time.

(5) **CHANGES.**—The Board may permit carriers to change rates, classifications, rules, and practices without filing complete tariffs under this subsection that cover matter that is not being changed when the Board finds that action to be consistent with the public interest. Those carriers may either—

(A) publish new tariffs that incorporate changes, or

(B) plainly indicate the proposed changes in the tariffs then in effect and make the tariffs as changed available for public inspection.

(6) **COMPLAINTS.**—A complaint that a rate or related rule or practice maintained in a tariff under this subsection violates section 13701(a) may be submitted to the Board for resolution.

(c) **TARIFF REQUIREMENTS FOR HOUSEHOLD GOODS CARRIERS.**—

(1) **IN GENERAL.**—A carrier providing transportation described in subsection (a)(2) shall maintain rates and related rules and practices in a published tariff. The tariff must be available for inspection by the Board and be made available for inspection by shippers upon reasonable request.

(2) **NOTICE OF AVAILABILITY.**—A carrier that maintains a tariff under this subsection may not enforce the provisions of the tariff unless the carrier has given notice that the tariff is

available for inspection in its bill of lading or by other actual notice to individuals whose shipments are subject to the tariff.

(3) REQUIREMENTS.—A carrier that maintains a tariff under this subsection is bound by the tariff except as otherwise provided in this part. A tariff that does not comply with this subsection may not be enforced against any individual shipper.

(4) INCORPORATION BY REFERENCE.—A carrier may incorporate by reference the rates, terms, and other conditions of a tariff in agreements covering the transportation of household goods.

(5) COMPLAINTS.—A complaint that a rate or related rule or practice maintained in a tariff under this subsection violates section 13701(a) may be submitted to the Board for resolution.

(d) INVALIDATION.—The Board may invalidate a tariff prepared by a carrier or carriers under this section if that tariff violates this section or a regulation of the Board carrying out this section.

§ 13703. Certain collective activities; exemption from anti-trust laws

(a) AGREEMENTS.—

(1) AUTHORITY TO ENTER.—A motor carrier providing transportation or service subject to jurisdiction under chapter 135 may enter into an agreement with one or more such carriers to establish—

- (A) through routes and joint rates;
- (B) rates for the transportation of household goods;
- (C) classifications;
- (D) mileage guides;
- (E) rules;
- (F) divisions;

(G) rate adjustments of general application based on industry average carrier costs (so long as there is no discussion of individual markets or particular single-line rates); or

(H) procedures for joint consideration, initiation, or establishment of matters described in subparagraphs (A) through (G).

(2) SUBMISSION OF AGREEMENT TO BOARD; APPROVAL.—An agreement entered into under paragraph (1) may be submitted by any carrier or carriers that are parties to such agreement to the Board for approval and may be approved by the Board only if it finds that such agreement is in the public interest.

(3) CONDITIONS.—The Board may require compliance with reasonable conditions consistent with this part to assure that the agreement furthers the transportation policy set forth in section 13101.

(4) INDEPENDENTLY ESTABLISHED RATES.—Any carrier which is a party to an agreement under paragraph (1) is not, and may not be, precluded from independently establishing its own rates, classification, and mileages or from adopting and using a noncollectively made classification or mileage guide.

(5) INVESTIGATIONS.—

(A) REASONABLENESS.—The Board may suspend and investigate the reasonableness of any rate, rule, classifica-

tion, or rate adjustment of general application made pursuant to an agreement under this section.

(B) ACTIONS NOT IN THE PUBLIC INTEREST.—The Board may investigate any action taken pursuant to an agreement approved under this section. If the Board finds that the action is not in the public interest, the Board may take such measures as may be necessary to protect the public interest with regard to the action, including issuing an order directing the parties to cease and desist or modify the action.

(6) EFFECT OF APPROVAL.—If the Board approves the agreement or renews approval of the agreement, it may be made and carried out under its terms and under the conditions required by the Board, and the antitrust laws, as defined in the first section of the Clayton Act (15 U.S.C. 12), do not apply to parties and other persons with respect to making or carrying out the agreement.

(b) RECORDS.—The Board may require an organization established or continued under an agreement approved under this section to maintain records and submit reports. The Board, or its delegate, may inspect a record maintained under this section, or monitor any organization's compliance with this section.

(c) REVIEW.—The Board may review an agreement approved under this section, on its own initiative or on request, and shall change the conditions of approval or terminate it when necessary to protect the public interest. Action of the Board under this section—

- (1) approving an agreement,
 - (2) denying, ending, or changing approval,
 - (3) prescribing the conditions on which approval is granted, or
 - (4) changing those conditions,
- has effect only as related to application of the antitrust laws referred to in subsection (a).

(d) EXPIRATION OF APPROVALS; RENEWALS.—Subject to subsection (c), approval of an agreement under subsection (a) shall expire 3 years after the date of approval unless renewed under this subsection. The approval may be renewed upon request of the parties to the agreement if such parties resubmit the agreement to the Board, the agreement is unchanged, and the Board approves such renewal. The Board shall approve the renewal unless it finds that the renewal is not in the public interest. Parties to the agreement may continue to undertake activities pursuant to the previously approved agreement while the renewal request is pending.

(e) EXISTING AGREEMENTS.—Agreements approved under former section 10706(b) and in effect on December 31, 1995, shall be treated for purposes of this section as approved by the Board under this section beginning on January 1, 1996.

(f) LIMITATIONS ON STATUTORY CONSTRUCTION.—

(1) UNDERCHARGE CLAIMS.—Nothing in this section shall serve as a basis for any undercharge claim.

(2) OBLIGATION OF SHIPPER.—Nothing in this title, the ICC Termination Act of 1995, or any amendments or repeals made by such Act shall be construed as creating any obligation for

a shipper based solely on a classification that was on file with the Interstate Commerce Commission or elsewhere on December 31, 1995.

(g) **INDUSTRY STANDARD GUIDES.**—

(1) **IN GENERAL.**—

(A) **PUBLIC AVAILABILITY.**—Routes, rates, classifications, mileage guides, and rules established under agreements approved under this section shall be published and made available for public inspection upon request.

(B) **PARTICIPATION OF CARRIERS.**—

(i) **IN GENERAL.**—A motor carrier of property whose routes, rates, classifications, mileage guides, rules, or packaging are determined or governed by publications established under agreements approved under this section must participate in the determining or governing publication for such provisions to apply.

(ii) **POWER OF ATTORNEY.**—The motor carrier of property shall issue a power of attorney to the publishing agent and, upon its acceptance, the agent shall issue a written certification to the motor carrier affirming its participation in the governing publication, and the certification shall be made available for public inspection.

(2) **MILEAGE LIMITATION.**—No carrier subject to jurisdiction under subchapter I or III of chapter 135 may enforce collection of its mileage rates unless such carrier—

(A) is a participant in a publication of mileages formulated under an agreement approved under this section; or

(B) uses a publication of mileage (other than a publication described in subparagraph (A)) that can be examined by any interested person upon reasonable request.

(h) **SINGLE LINE RATE DEFINED.**—In this section, the term “single line rate” means a rate, charge, or allowance proposed by a single motor carrier that is applicable only over its line and for which the transportation can be provided by that carrier.

§ 13704. Household goods rates—estimates; guarantees of service

(a) **IN GENERAL.**—

(1) **AUTHORITY.**—Subject to the provisions of paragraph (2) of this subsection, a motor carrier providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135 may establish a rate for the transportation of household goods which is based on the carrier’s written, binding estimate of charges for providing such transportation.

(2) **NONPREFERENTIAL; NONPREDATORY.**—Any rate established under this subsection must be available on a nonpreferential basis to shippers and must not result in charges to shippers which are predatory.

(b) **RATES FOR GUARANTEED SERVICE.**—

(1) **AUTHORITY.**—Subject to the provisions of paragraph (2) of this subsection, a motor carrier providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135 may establish rates for the transportation of

household goods which guarantee that the carrier will pick up and deliver such household goods at the times specified in the contract for such services and provide a penalty or per diem payment in the event the carrier fails to pick up or deliver such household goods at the specified time. The charges, if any, for such guarantee and penalty provision may vary to reflect one or more options available to meet a particular shipper's needs.

(2) **AUTHORITY OF SECRETARY TO REQUIRE NONGUARANTEED SERVICE RATES.**—Before a carrier may establish a rate for any service under paragraph (1) of this subsection, the Secretary may require such carrier to have in effect and keep in effect, during any period such rate is in effect under paragraph (1), a rate for such service which does not guarantee the pick up and delivery of household goods at the times specified in the contract for such services and which does not provide a penalty or per diem payment in the event the carrier fails to pick up or deliver household goods at the specified time.

§ 13705. Requirements for through routes among motor carriers of passengers

(a) **ESTABLISHMENT; REASONABLENESS.**—A motor carrier providing transportation of passengers subject to jurisdiction under subchapter I of chapter 135 shall establish through routes with other carriers of the same type and shall establish individual and joint rates applicable to them. Such through route must be reasonable.

(b) **PRESCRIBED BY BOARD.**—When the Board finds it necessary to enforce the requirements of this section, the Board may prescribe through routes and the conditions under which those routes must be operated for motor carriers providing transportation of passengers subject to jurisdiction under subchapter I of chapter 135.

§ 13706. Liability for payment of rates

(a) **LIABILITY OF CONSIGNEE.**—Liability for payment of rates for transportation for a shipment of property by a shipper or consignor to a consignee other than the shipper or consignor, is determined under this section when the transportation is provided by motor carrier under this part. When the shipper or consignor instructs the carrier transporting the property to deliver it to a consignee that is an agent only, not having beneficial title to the property, the consignee is liable for rates billed at the time of delivery for which the consignee is otherwise liable, but not for additional rates that may be found to be due after delivery if the consignee gives written notice to the delivering carrier before delivery of the property—

- (1) of the agency and absence of beneficial title; and
- (2) of the name and address of the beneficial owner of the property if it is reconsigned or diverted to a place other than the place specified in the original bill of lading.

(b) **LIABILITY OF BENEFICIAL OWNER.**—When the consignee is liable only for rates billed at the time of delivery under subsection (a), the shipper or consignor, or, if the property is reconsigned or

diverted, the beneficial owner is liable for those additional rates regardless of the bill of the lading or contract under which the property was transported. The beneficial owner is liable for all rates when the property is reconsigned or diverted by an agent but is refused or abandoned at its ultimate destination if the agent gave the carrier in the reconsignment or diversion order a notice of agency and the name and address of the beneficial owner. A consignee giving the carrier erroneous information about the identity of the beneficial owner of the property is liable for the additional rates.

§ 13707. Payment of rates

(a) TRANSFER OF POSSESSION UPON PAYMENT.—Except as provided in subsection (b), a carrier providing transportation or service subject to jurisdiction under this part shall give up possession at the destination of the property transported by it only when payment for the transportation or service is made.

(b) EXCEPTIONS.—

(1) REGULATIONS.—Under regulations of the Secretary governing the payment for transportation and service and preventing discrimination, those carriers may give up possession at destination of property transported by them before payment for the transportation or service. The regulations of the Secretary may provide for weekly or monthly payment for transportation provided by motor carriers and for periodic payment for transportation provided by water carriers.

(2) EXTENSIONS OF CREDIT TO GOVERNMENTAL ENTITIES.—Such a carrier (including a motor carrier being used by a household goods freight forwarder) may extend credit for transporting property for the United States Government, a State, a territory or possession of the United States, or a political subdivision of any of them.

§ 13708. Billing and collecting practices

(a) DISCLOSURE.—A motor carrier subject to jurisdiction under subchapter I of chapter 135 shall disclose, when a document is presented or electronically transmitted for payment to the person responsible directly to the motor carrier for payment or agent of such responsible person, the actual rates, charges, or allowances for any transportation service and shall also disclose, at such time, whether and to whom any allowance or reduction in charges is made.

(b) FALSE OR MISLEADING INFORMATION.—No person may cause a motor carrier to present false or misleading information on a document about the actual rate, charge, or allowance to any party to the transaction.

(c) ALLOWANCES FOR SERVICES.—When the actual rate, charge, or allowance is dependent upon the performance of a service by a party to the transportation arrangement, such as tendering a volume of freight over a stated period of time, the motor carrier shall indicate in any document presented for payment to the person responsible directly to the motor carrier that a reduction, allowance, or other adjustment may apply.

§ 13709. Procedures for resolving claims involving unfiled, negotiated transportation rates

(a) TRANSPORTATION PROVIDED AT RATES OTHER THAN LEGAL TARIFF RATES.—

(1) IN GENERAL.—When a claim is made by a motor carrier of property (other than a household goods carrier) providing transportation subject to jurisdiction under subchapter II of chapter 105 (as in effect on December 31, 1995) or subchapter I of chapter 135, by a freight forwarder (other than a household goods freight forwarder), or by a party representing such a carrier or freight forwarder regarding the collection of rates or charges for such transportation in addition to those originally billed and collected by the carrier or freight forwarder for such transportation, the person against whom the claim is made may elect to satisfy the claim under the provisions of subsection (b), (c), or (d), upon showing that—

(A) the carrier or freight forwarder is no longer transporting property or is transporting property for the purpose of avoiding the application of this section; and

(B) with respect to the claim—

(i) the person was offered a transportation rate by the carrier or freight forwarder other than that legally on file at the time with the Board or with the Interstate Commerce Commission, as required, for the transportation service;

(ii) the person tendered freight to the carrier or freight forwarder in reasonable reliance upon the offered transportation rate;

(iii) the carrier or freight forwarder did not properly or timely file with the Board or with the Interstate Commerce Commission, as required, a tariff providing for such transportation rate or failed to enter into an agreement for contract carriage;

(iv) such transportation rate was billed and collected by the carrier or freight forwarder; and

(v) the carrier or freight forwarder demands additional payment of a higher rate filed in a tariff.

(2) FORUM.—If there is a dispute as to the showing under paragraph (1)(A), such dispute shall be resolved by the court in which the claim is brought. If there is a dispute as to the showing under paragraph (1)(B), such dispute shall be resolved by the Board. Pending the resolution of any such dispute, the person shall not have to pay any additional compensation to the carrier or freight forwarder.

(3) EFFECT OF SATISFACTION OF CLAIMS.—Satisfaction of the claim under subsection (b), (c), or (d) shall be binding on the parties, and the parties shall not be subject to chapter 119 of this title, as such chapter was in effect on December 31, 1995, or chapter 149.

(b) CLAIMS INVOLVING SHIPMENTS WEIGHING 10,000 POUNDS OR LESS.—A person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim if the shipments each weighed 10,000 pounds or less, by

payment of 20 percent of the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(c) CLAIMS INVOLVING SHIPMENTS WEIGHING MORE THAN 10,000 POUNDS.—A person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim if the shipments each weighed more than 10,000 pounds, by payment of 15 percent of the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(d) CLAIMS INVOLVING PUBLIC WAREHOUSEMEN.—Notwithstanding subsections (b) and (c), a person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim by payment of 5 percent of the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid if such person is a public warehouseman. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Board.

(e) EFFECTS OF ELECTION.—When a person from whom additional legally applicable freight rates or charges are sought does not elect to use the provisions of subsection (b), (c) or (d), the person may pursue all rights and remedies existing under this part or, for transportation provided before January 1, 1996, all rights and remedies that existed under this title on December 31, 1995.

(f) STAY OF ADDITIONAL COMPENSATION.—When a person proceeds under this section to challenge the reasonableness of the legally applicable freight rate or charges being claimed by a carrier or freight forwarder in addition to those already billed and collected, the person shall not have to pay any additional compensation to the carrier or freight forwarder until the Board has made a determination as to the reasonableness of the challenged rate as applied to the freight of the person against whom the claim is made.

(g) NOTIFICATION OF ELECTION.—

(1) GENERAL RULE.—A person must notify the carrier or freight forwarder as to its election to proceed under subsection (b), (c), or (d). Except as provided in paragraphs (2), (3), and (4), such election may be made at any time.

(2) DEMANDS FOR PAYMENT INITIALLY MADE AFTER DECEMBER 3, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder initially demands the payment of additional freight charges after December 3, 1993, and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f) at the time of the making of such initial demand, the election must be made not later than the later of—

(A) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

(B) March 5, 1994.

(3) PENDING SUITS FOR COLLECTION MADE BEFORE DECEMBER 4, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder has filed, before December 4, 1993, a suit for the collection of additional freight charges and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f), the election must be made not later than the 90th day following the date on which such notification is received.

(4) DEMANDS FOR PAYMENT MADE BEFORE DECEMBER 4, 1993.—If the carrier or freight forwarder or party representing such carrier or freight forwarder has demanded the payment of additional freight charges, and has not filed a suit for the collection of such additional freight charges, before December 4, 1993, and notifies the person from whom additional freight charges are sought of the provisions of subsections (a) through (f), the election must be made not later than the later of—

(A) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

(B) March 5, 1994.

(h) CLAIMS INVOLVING SMALL-BUSINESS CONCERNS, CHARITABLE ORGANIZATIONS, AND RECYCLABLE MATERIALS.—

(1) IN GENERAL.—Notwithstanding subsections (b), (c), and (d), a person from whom the additional legally applicable and effective tariff rate or charges are sought shall not be liable for the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid—

(A) if such person qualifies as a small-business concern under the Small Business Act (15 U.S.C. 631 et seq.),

(B) if such person is an organization which is described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code, or

(C) if the cargo involved in the claim is recyclable materials.

(2) RECYCLABLE MATERIALS DEFINED.—In this subsection, the term “recyclable materials” means waste products for recycling or reuse in the furtherance of recognized pollution control programs.

§ 13710. Additional billing and collecting practices

(a) MISCELLANEOUS PROVISIONS.—

(1) INFORMATION RELATING TO BASIS OF RATE.—A motor carrier of property (other than a motor carrier providing transportation in noncontiguous domestic trade) shall provide to the shipper, on request of the shipper, a written or electronic copy of the rate, classification, rules, and practices, upon which any rate applicable to its shipment or agreed to between the shipper and carrier is based.

(2) REASONABLENESS OF RATES; COLLECTING ADDITIONAL CHARGES.—When the applicability or reasonableness of the rates and related provisions billed by a motor carrier is challenged by the person paying the freight charges, the Board

shall determine whether such rates and provisions are reasonable under section 13701 or applicable based on the record before it.

(3) BILLING DISPUTES.—

(A) INITIATED BY MOTOR CARRIERS.—In those cases where a motor carrier (other than a motor carrier providing transportation of household goods or in noncontiguous domestic trade) seeks to collect charges in addition to those billed and collected which are contested by the payor, the carrier may request that the Board determine whether any additional charges over those billed and collected must be paid. A carrier must issue any bill for charges in addition to those originally billed within 180 days of the receipt of the original bill in order to have the right to collect such charges.

(B) INITIATED BY SHIPPERS.—If a shipper seeks to contest the charges originally billed or additional charges subsequently billed, the shipper may request that the Board determine whether the charges billed must be paid. A shipper must contest the original bill or subsequent bill within 180 days of receipt of the bill in order to have the right to contest such charges.

(4) VOIDING OF CERTAIN TARIFFS.—Any tariff on file with the Interstate Commerce Commission on August 26, 1994, and not required to be filed after that date is null and void beginning on that date. Any tariff on file with the Interstate Commerce Commission on January 1, 1996, and not required to be filed after that date is null and void beginning on that date.

(b) RESOLUTION OF DISPUTES OVER STATUS OF COMMON CARRIER OR CONTRACT CARRIER.—If a motor carrier (other than a motor carrier providing transportation of household goods) that was subject to jurisdiction under subchapter II of chapter 105, as in effect on December 31, 1995, and that had authority to provide transportation as both a motor common carrier and a motor contract carrier and a dispute arises as to whether certain transportation that was provided prior to January 1, 1996, was provided in its common carrier or contract carrier capacity and the parties are not able to resolve the dispute consensually, the Board shall resolve the dispute.

§ 13711. Alternative procedure for resolving undercharge disputes

(a) GENERAL RULE.—It shall be an unreasonable practice for a motor carrier of property (other than a household goods carrier) providing transportation subject to jurisdiction under subchapter I of chapter 135 or, before January 1, 1996, to have provided transportation that was subject to jurisdiction under subchapter II of chapter 105, as in effect on December 31, 1995, a freight forwarder (other than a household goods freight forwarder), or a party representing such a carrier or freight forwarder to attempt to charge or to charge for a transportation service the difference between (1) the applicable rate that was lawfully in effect pursuant to a tariff that was filed in accordance with this chapter or, with respect to transportation provided before January 1, 1996, in accordance with

chapter 107, as in effect on the date the transportation was provided, by the carrier or freight forwarder applicable to such transportation service, and (2) the negotiated rate for such transportation service if the carrier or freight forwarder is no longer transporting property between places described in section 13501(1) or is transporting property between places described in section 13501(1) for the purpose of avoiding application of this section.

(b) JURISDICTION OF BOARD.—

(1) DETERMINATION.—The Board shall have jurisdiction to make a determination of whether or not attempting to charge or the charging of a rate by a motor carrier or freight forwarder or party representing a motor carrier or freight forwarder is an unreasonable practice under subsection (a). If the Board determines that attempting to charge or the charging of the rate is an unreasonable practice under subsection (a), the carrier, freight forwarder, or party may not collect the difference described in subsection (a) between the applicable rate and the negotiated rate for the transportation service.

(2) FACTORS TO CONSIDER.—In making a determination under paragraph (1), the Board shall consider—

(A) whether the person was offered a transportation rate by the carrier or freight forwarder or party other than that legally on file with the Interstate Commerce Commission or the Board, as required, at the time of the movement for the transportation service;

(B) whether the person tendered freight to the carrier or freight forwarder in reasonable reliance upon the offered transportation rate;

(C) whether the carrier or freight forwarder did not properly or timely file with the Interstate Commerce Commission or the Board, as required, a tariff providing for such transportation rate or failed to enter into an agreement for contract carriage;

(D) whether the transportation rate was billed and collected by the carrier or freight forwarder; and

(E) whether the carrier or freight forwarder or party demands additional payment of a higher rate filed in a tariff.

(c) STAY OF ADDITIONAL COMPENSATION.—When a person proceeds under this section to challenge the reasonableness of the practice of a motor carrier, freight forwarder, or party described in subsection (a) to attempt to charge or to charge the difference described in subsection (a) between the applicable rate and the negotiated rate for the transportation service in addition to those charges already billed and collected for the transportation service, the person shall not have to pay any additional compensation to the carrier, freight forwarder, or party until the Board has made a determination as to the reasonableness of the practice as applied to the freight of the person against whom the claim is made.

(d) TREATMENT.—Subsection (a) is an exception to the requirements of section 13702 and, for transportation provided before January 1, 1996, to the requirements of sections 10761(a) and 10762, as in effect on December 31, 1995, as such sections relate to a filed tariff rate and other general tariff requirements.

(e) NONAPPLICABILITY OF NEGOTIATED RATE DISPUTE RESOLUTION PROCEDURE.—If a person elects to seek enforcement of subsection (a) with respect to a rate for a transportation or service, section 13709 shall not apply to such rate.

(f) DEFINITIONS.—In this section, the term “negotiated rate” means a rate, charge, classification, or rule agreed upon by a motor carrier or freight forwarder and a shipper through negotiations pursuant to which no tariff was lawfully and timely filed and for which there is written evidence of such agreement.

(g) APPLICABILITY TO PENDING CASES.—This section shall apply to all cases and proceedings pending on January 1, 1996.

§ 13712. Government traffic

A carrier providing transportation or service for the United States Government may transport property or individuals for the United States Government without charge or at a rate reduced from the applicable commercial rate. Section 3709 of the Revised Statutes (41 U.S.C. 5) does not apply when transportation for the United States Government can be obtained from a carrier lawfully operating in the area where the transportation would be provided.

§ 13713. Food and grocery transportation

(a) CERTAIN COMPENSATION PROHIBITED.—Notwithstanding any other provision of law, it shall not be unlawful for a seller of food and grocery products using a uniform zone delivered pricing system to compensate a customer who picks up purchased food and grocery products at the shipping point of the seller if such compensation is available to all customers of the seller on a non-discriminatory basis and does not exceed the actual cost to the seller of delivery to such customer.

(b) SENSE OF CONGRESS.—It is the sense of the Congress that any savings accruing to a customer by reason of compensation permitted by subsection (a) of this section should be passed on to the ultimate consumer.

(3) WITHHOLDING.—If the Secretary determines that any registrant under this section does not meet the requirements of paragraph (1), the Secretary shall withhold registration.

(4) LIMITATION ON COMPLAINTS.—The Secretary may hear a complaint from any person concerning a registration under this subsection only on the ground that the registrant fails or will fail to comply with this part, the applicable regulations of the Secretary and the Board, the safety regulations of the Secretary, or the safety fitness or minimum financial responsibility requirements of paragraph (1) of this subsection.

(b) MOTOR CARRIERS OF PASSENGERS.—

(1) REGISTRATION OF PRIVATE RECIPIENTS OF GOVERNMENTAL ASSISTANCE.—The Secretary shall register under subsection (a)(1) a private recipient of governmental assistance to provide special or charter transportation subject to jurisdiction under subchapter I of chapter 135 as a motor carrier of passengers if the Secretary finds that the recipient meets the requirements of subsection (a)(1), unless the Secretary finds, on the basis of evidence presented by any person objecting to the registration, that the transportation to be provided pursuant to the registration is not in the public interest.

(A) CHARTER TRANSPORTATION.—The Secretary shall register under subsection (a)(1) a public recipient of governmental assistance to provide special or charter transportation subject to jurisdiction under subchapter I of chapter 135 as a motor carrier of passengers if the Secretary finds that—

(ii) (I) no motor carrier of passengers (other than a motor carrier of passengers which is a public recipient of governmental assistance) is providing, or is willing to provide, the transportation; or

(II) the transportation is to be provided entirely in the area in which the public recipient provides regularly scheduled mass transportation services.

(B) REGULAR-ROUTE TRANSPORTATION.—The Secretary shall register under subsection (a)(1) a public recipient of governmental assistance to provide regular-route transportation subject to jurisdiction under subchapter I of chapter 135 as a motor carrier of passengers if the Secretary finds that the recipient meets the requirements of subsection (a)(1), unless the Secretary finds, on the basis of evidence presented by any person objecting to the registration, that the transportation to be provided pursuant to the registration is not in the public interest.

(C) TREATMENT OF CERTAIN PUBLIC RECIPIENTS.—Any public recipient of governmental assistance which is providing or seeking to provide transportation of passengers subject to jurisdiction under subchapter I of chapter 135 shall, for purposes of this part, be treated as a person which is providing or seeking to provide transportation of passengers subject to such jurisdiction.

(3) INTRASTATE TRANSPORTATION BY INTERSTATE CARRIERS.—A motor carrier of passengers that is registered by the Secretary under subsection (a) is authorized to provide regular-route transportation entirely in one State as a motor carrier of passengers if such intrastate transportation is to be provided on a route over which the carrier provides interstate transportation of passengers.

(4) PREEMPTION OF STATE REGULATION REGARDING CERTAIN SERVICE.—No State or political subdivision thereof and no interstate agency or other political agency of 2 or more States shall enact or enforce any law, rule, regulation, standard or other provision having the force and effect of law relating to the provision of pickup and delivery of express packages, newspapers, or mail in a commercial zone if the shipment has had or will have a prior or subsequent movement by bus in intrastate commerce and, if a city within the commercial zone, is served by a motor carrier of passengers providing regular-route transportation of passengers subject to jurisdiction under subchapter I of chapter 135.

(5) JURISDICTION OVER CERTAIN INTRASTATE TRANSPORTATION.—Subject to section 14501(a), any intrastate transportation authorized by this subsection shall be treated as transportation subject to jurisdiction under subchapter I of chapter 135 until such time as the carrier takes such action as is necessary to establish under the laws of such State rates, rules, and practices applicable to such transportation, but in no case later than the 30th day following the date on which the motor carrier of passengers first begins providing transportation entirely in one State under this paragraph.

(6) SPECIAL OPERATIONS.—This subsection shall not apply to any regular-route transportation of passengers provided entirely in one State which is in the nature of a special operation.

(7) SUSPENSION OR REVOCATION.—Intrastate transportation authorized under this subsection may be suspended or revoked by the Secretary under section 13905 of this title at any time.

(8) DEFINITIONS.—In this subsection, the following definitions apply:

(c) RESTRICTIONS ON MOTOR CARRIERS DOMICILED IN OR OWNED OR CONTROLLED BY NATIONALS OF A CONTIGUOUS FOREIGN COUNTRY.—

(1) PREVENTION OF DISCRIMINATORY PRACTICES.—If the President, or the delegate thereof, determines that an act, policy, or practice of a foreign country contiguous to the United States, or any political subdivision or any instrumentality of any such country is unreasonable or discriminatory and burdens or restricts United States transportation companies providing, or seeking to provide, motor carrier transportation to, from, or within such foreign country, the President or such delegate may—

(A) seek elimination of such practices through consultations; or

(B) notwithstanding any other provision of law, suspend, modify, amend, condition, or restrict operations, including geographical restriction of operations, in the United States by motor carriers of property or passengers domiciled in such foreign country or owned or controlled by persons of such foreign country.

(2) EQUALIZATION OF TREATMENT.—Any action taken under paragraph (1)(A) to eliminate an act, policy, or practice shall be so devised so as to equal to the extent possible the burdens or restrictions imposed by such foreign country on United States transportation companies.

(3) REMOVAL OR MODIFICATION.—The President, or the delegate thereof, may remove or modify in whole or in part any

action taken under paragraph (1)(A) if the President or such delegate determines that such removal or modification is consistent with the obligations of the United States under a trade agreement or with United States transportation policy.

(4) PROTECTION OF EXISTING OPERATIONS.—Unless and until the President, or the delegate thereof, makes a determination under paragraph (1) or (3), nothing in this subsection shall affect—

(A) operations of motor carriers of property or passengers domiciled in any contiguous foreign country or owned or controlled by persons of any contiguous foreign country permitted in the commercial zones along the United States-Mexico border as such zones were defined on December 31, 1995; or

(B) any existing restrictions on operations of motor carriers of property or passengers domiciled in any contiguous foreign country or owned or controlled by persons of any contiguous foreign country or any modifications thereof pursuant to section 6 of the Bus Regulatory Reform Act of 1982.

(5) PUBLICATION; COMMENT.—Unless the President, or the delegate thereof, determines that expeditious action is required, the President shall publish in the Federal Register any determination under paragraph (1) or (3), together with a description of the facts on which such a determination is based and any proposed action to be taken pursuant to paragraph (1)(B) or (3), and provide an opportunity for public comment.

(6) DELEGATION TO SECRETARY.—The President may delegate any or all authority under this subsection to the Secretary, who shall consult with other agencies as appropriate. In accordance with the directions of the President, the Secretary may issue regulations to enforce this subsection.

(7) CIVIL ACTIONS.—Either the Secretary or the Attorney General may bring a civil action in an appropriate district court of the United States to enforce this subsection or a regulation prescribed or order issued under this subsection. The court may award appropriate relief, including injunctive relief.

(8) LIMITATION ON STATUTORY CONSTRUCTION.—This subsection shall not be construed as affecting the requirement for all foreign motor carriers and foreign motor private carriers operating in the United States to comply with all applicable laws and regulations pertaining to fitness, safety of operations, financial responsibility, and taxes imposed by section 4481 of the Internal Revenue Code of 1986.

(d) TRANSITION RULE.—

(1) IN GENERAL.—Pending the implementation of the rule-making required by section 13908, the Secretary may register a person under this section—

(A) as a motor common carrier if such person would have been issued a certificate to provide transportation as a motor common carrier under this subtitle on December 31, 1995; and

(B) as a motor contract carrier if such person would have been issued a permit to provide transportation as a motor contract carrier under this subtitle on such day.

(2) DEFINITIONS.—In this subsection, the terms “motor common carrier” and “motor contract carrier” have the meaning such terms had under section 10102 as such section was in effect on December 31, 1995.

(e) MOTOR CARRIER DEFINED.—In this section and sections 13905 and 13906, the term “motor carrier” includes foreign motor private carriers.

§ 13903. Registration of freight forwarders

(a) IN GENERAL.—The Secretary shall register a person to provide service subject to jurisdiction under subchapter III of chapter 135 as a freight forwarder if the Secretary finds that the person is fit, willing, and able to provide the service and to comply with this part and applicable regulations of the Secretary and the Board.

(b) REGISTRATION AS CARRIER REQUIRED.—The freight forwarder may provide transportation as the carrier itself only if the freight forwarder also has registered to provide transportation as a carrier under this chapter.

§ 13904. Registration of brokers

(a) IN GENERAL.—The Secretary shall register, subject to section 13906(b), a person to be a broker for transportation of property subject to jurisdiction under subchapter I of chapter 135, if the Secretary finds that the person is fit, willing, and able to be a broker for transportation and to comply with this part and applicable regulations of the Secretary.

(b) REGISTRATION AS CARRIER REQUIRED.—

(1) IN GENERAL.—The broker may provide the transportation itself only if the broker also has been registered to provide the transportation as a motor carrier under this chapter.

(2) LIMITATION.—This subsection does not apply to a motor carrier registered under this chapter or to an employee or agent of the motor carrier to the extent the transportation is to be provided entirely by the motor carrier, with other registered motor carriers, or with rail or water carriers.

(c) REGULATIONS TO PROTECT SHIPPERS.—Regulations of the Secretary applicable to brokers registered under this section shall provide for the protection of shippers by motor vehicle.

(d) BOND AND INSURANCE.—The Secretary may impose on brokers for motor carriers of passengers such requirements for bonds or insurance or both as the Secretary determines are needed to protect passengers and carriers dealing with such brokers.

§ 13905. Effective periods of registration

(a) PERSON HOLDING ICC AUTHORITY.—Any person having authority to provide transportation or service as a motor carrier, freight forwarder, or broker under this title, as in effect on December 31, 1995, shall be deemed, for purposes of this part, to be registered to provide such transportation or service under this part.

(b) IN GENERAL.—Except as otherwise provided in this part, each registration issued under section 13902, 13903, or 13904 shall be effective from the date specified by the Secretary and shall remain in effect for such period as the Secretary determines appropriate by regulation.

(c) SUSPENSION, AMENDMENTS, AND REVOCATIONS.—On application of the registrant, the Secretary may amend or revoke a registration. On complaint or on the Secretary's own initiative and after notice and an opportunity for a proceeding, the Secretary may suspend, amend, or revoke any part of the registration of a motor carrier, broker, or freight forwarder for willful failure to comply with this part, an applicable regulation or order of the Secretary or of the Board, or a condition of its registration.

(d) PROCEDURE.—Except on application of the registrant, the Secretary may revoke a registration of a motor carrier, freight forwarder, or broker, only after—

(1) the Secretary has issued an order to the registrant under section 14701 requiring compliance with this part, a regulation of the Secretary, or a condition of the registration; and

(2) the registrant willfully does not comply with the order for a period of 30 days.

(e) EXPEDITED PROCEDURE.—

(1) PROTECTION OF SAFETY.—Without regard to subchapter II of chapter 5 of title 5, the Secretary may suspend the registration of a motor carrier, a freight forwarder, or a broker for failure to comply with safety requirements of the Secretary or the safety fitness requirements pursuant to section 13904(c), 13906, or 31144 of this title, or an order or regulation of the Secretary prescribed under those sections.

(2) IMMINENT HAZARD TO PUBLIC HEALTH.—Without regard to subchapter II of chapter 5 of title 5, the Secretary may suspend a registration of a motor carrier of passengers if the Secretary finds that such carrier has been conducting unsafe operations which are an imminent hazard to public health or property.

(3) NOTICE; PERIOD OF SUSPENSION.—The Secretary may suspend under this subsection the registration only after giving notice of the suspension to the registrant. The suspension remains in effect until the registrant complies with those applicable sections or, in the case of a suspension under paragraph (2), until the Secretary revokes such suspension.

§ 13906. Security of motor carriers, brokers, and freight forwarders

(a) MOTOR CARRIER REQUIREMENTS.—

(1) LIABILITY INSURANCE REQUIREMENT.—The Secretary may register a motor carrier under section 13902 only if the registrant files with the Secretary a bond, insurance policy, or other type of security approved by the Secretary, in an amount not less than such amount as the Secretary prescribes pursuant to, or as is required by, sections 31138 and 31139, and the laws of the State or States in which the registrant is operating, to the extent applicable. The security must be sufficient to pay, not more than the amount of the security, for each final judg-

ment against the registrant for bodily injury to, or death of, an individual resulting from the negligent operation, maintenance, or use of motor vehicles, or for loss or damage to property (except property referred to in paragraph (3) of this subsection), or both. A registration remains in effect only as long as the registrant continues to satisfy the security requirements of this paragraph.

(2) AGENCY REQUIREMENT.—A motor carrier shall comply with the requirements of sections 13303 and 13304. To protect the public, the Secretary may require any such motor carrier to file the type of security that a motor carrier is required to file under paragraph (1) of this subsection. This paragraph only applies to a foreign motor private carrier and foreign motor carrier operating in the United States to the extent that such carrier is providing transportation between places in a foreign country or between a place in one foreign country and a place in another foreign country.

(3) TRANSPORTATION INSURANCE.—The Secretary may require a registered motor carrier to file with the Secretary a type of security sufficient to pay a shipper or consignee for damage to property of the shipper or consignee placed in the possession of the motor carrier as the result of transportation provided under this part. A carrier required by law to pay a shipper or consignee for loss, damage, or default for which a connecting motor carrier is responsible is subrogated, to the extent of the amount paid, to the rights of the shipper or consignee under any such security.

(b) BROKER REQUIREMENTS.—The Secretary may register a person as a broker under section 13904 only if the person files with the Secretary a bond, insurance policy, or other type of security approved by the Secretary to ensure that the transportation for which a broker arranges is provided. The registration remains in effect only as long as the broker continues to satisfy the security requirements of this subsection.

(c) FREIGHT FORWARDER REQUIREMENTS.—

(1) LIABILITY INSURANCE.—The Secretary may register a person as a freight forwarder under section 13903 of this title only if the person files with the Secretary a bond, insurance policy, or other type of security approved by the Secretary. The security must be sufficient to pay, not more than the amount of the security, for each final judgment against the freight forwarder for bodily injury to, or death of, an individual, or loss of, or damage to, property (other than property referred to in paragraph (2) of this subsection), resulting from the negligent operation, maintenance, or use of motor vehicles by or under the direction and control of the freight forwarder when providing transfer, collection, or delivery service under this part.

(2) FREIGHT FORWARDER INSURANCE.—The Secretary may require a registered freight forwarder to file with the Secretary a bond, insurance policy, or other type of security approved by the Secretary sufficient to pay, not more than the amount of the security, for loss of, or damage to, property for which the freight forwarder provides service.

(3) EFFECTIVE PERIOD.—The freight forwarder's registration remains in effect only as long as the freight forwarder continues to satisfy the security requirements of this subsection.

(d) TYPE OF INSURANCE.—The Secretary may determine the type and amount of security filed under this section. A motor carrier may submit proof of qualifications as a self-insurer to satisfy the security requirements of this section. The Secretary shall adopt regulations governing the standards for approval as a self-insurer. Motor carriers which have been granted authority to self-insure as of January 1, 1996, shall retain that authority unless, for good cause shown and after notice and an opportunity for a hearing, the Secretary finds that the authority must be revoked.

(e) NOTICE OF CANCELLATION OF INSURANCE.—The Secretary shall issue regulations requiring the submission to the Secretary of notices of insurance cancellation sufficiently in advance of actual cancellation so as to enable the Secretary to promptly revoke the registration of any carrier or broker after the effective date of the cancellation.

(f) FORM OF ENDORSEMENT.—The Secretary shall also prescribe the appropriate form of endorsement to be appended to policies of insurance and surety bonds which will subject the insurance policy or surety bond to the full security limits of the coverage required under this section.

§ 13907. Household goods agents

(a) CARRIERS RESPONSIBLE FOR AGENTS.—Each motor carrier providing transportation of household goods shall be responsible for all acts or omissions of any of its agents which relate to the performance of household goods transportation services (including accessorial or terminal services) and which are within the actual or apparent authority of the agent from the carrier or which are ratified by the carrier.

(b) STANDARD FOR SELECTING AGENTS.—Each motor carrier providing transportation of household goods shall use due diligence and reasonable care in selecting and maintaining agents who are sufficiently knowledgeable, fit, willing, and able to provide adequate household goods transportation services (including accessorial and terminal services) and to fulfill the obligations imposed upon them by this part and by such carrier.

(c) ENFORCEMENT.—

(1) COMPLAINT.—Whenever the Secretary has reason to believe from a complaint or investigation that an agent providing household goods transportation services (including accessorial and terminal services) under the authority of a motor carrier providing transportation of household goods has violated section 14901(e) or 14912 or is consistently not fit, willing, and able to provide adequate household goods transportation services (including accessorial and terminal services), the Secretary may issue to such agent a complaint stating the charges and containing notice of the time and place of a hearing which shall be held no later than 60 days after service of the complaint to such agent.

(2) RIGHT TO DEFEND.—The agent shall have the right to appear at such hearing and rebut the charges contained in the complaint.

(3) ORDER.—If the agent does not appear at the hearing or if the Secretary finds that the agent has violated section 14901(e) or 14912 or is consistently not fit, willing, and able to provide adequate household goods transportation services (including accessorial and terminal services), the Secretary may issue an order to compel compliance with the requirement that the agent be fit, willing, and able. Thereafter, the Secretary may issue an order to limit, condition, or prohibit such agent from any involvement in the transportation or provision of services incidental to the transportation of household goods if, after notice and an opportunity for a hearing, the Secretary finds that such agent, within a reasonable time after the date of issuance of a compliance order under this section, but in no event less than 30 days after such date of issuance, has willfully failed to comply with such order.

(4) HEARING.—Upon filing of a petition with the Secretary by an agent who is the subject of an order issued pursuant to the second sentence of paragraph (3) of this subsection and after notice, a hearing shall be held with an opportunity to be heard. At such hearing, a determination shall be made whether the order issued pursuant to paragraph (3) of this subsection should be rescinded.

(5) COURT REVIEW.—Any agent adversely affected or aggrieved by an order of the Secretary issued under this subsection may seek relief in the appropriate United States court of appeals as provided by and in the manner prescribed in chapter 158 of title 28, United States Code.

(d) LIMITATION ON APPLICABILITY OF ANTITRUST LAWS.—

(1) IN GENERAL.—The antitrust laws, as defined in the first section of the Clayton Act (15 U.S.C. 12), do not apply to discussions or agreements between a motor carrier providing transportation of household goods and its agents (whether or not an agent is also a carrier) related solely to—

(A) rates for the transportation of household goods under the authority of the principal carrier;

(B) accessorial, terminal, storage, or other charges for services incidental to the transportation of household goods transported under the authority of the principal carrier;

(C) allowances relating to transportation of household goods under the authority of the principal carrier; and

(D) ownership of a motor carrier providing transportation of household goods by an agent or membership on the board of directors of any such motor carrier by an agent.

(2) BOARD REVIEW.—The Board, upon its own initiative or request, shall review any activities undertaken under paragraph (1) and shall modify or terminate the activity if necessary to protect the public interest.

(e) DEFINITIONS.—In this section, the following definitions apply:

(1) HOUSEHOLD GOODS.—The term “household goods” has the meaning such term had under section 10102(11) of this title, as in effect on December 31, 1995.

(2) TRANSPORTATION.—The term “transportation” means transportation that would be subject to the jurisdiction of the Interstate Commerce Commission under subchapter II of chapter 105 of this title, as in effect on December 31, 1995, if such subchapter were still in effect.

§ 13908. Registration and other reforms

(a) REGULATIONS REPLACING CERTAIN PROGRAMS.—The Secretary, in cooperation with the States, and after notice and opportunity for public comment, shall issue regulations to replace the current Department of Transportation identification number system, the single State registration system under section 14504, the registration system contained in this chapter, and the financial responsibility information system under section 13906 with a single, on-line, Federal system. The new system shall serve as a clearinghouse and depository of information on and identification of all foreign and domestic motor carriers, brokers, and freight forwarders, and others required to register with the Department as well as information on safety fitness and compliance with required levels of financial responsibility. In issuing the regulations, the Secretary shall consider whether or not to integrate the requirements of section 13304 into the new system and may integrate such requirements into the new system.

(b) FACTORS TO BE CONSIDERED.—In conducting the rule-making under subsection (a), the Secretary shall, at a minimum, consider the following factors:

(1) Funding for State enforcement of motor carrier safety regulations.

(2) Whether the existing single State registration system is duplicative and burdensome.

(3) The justification and need for collecting the statutory fee for such system under section 14504(c)(2)(B)(iv).

(4) The public safety.

(5) The efficient delivery of transportation services.

(6) How, and under what conditions, to extend the registration system to motor private carriers and to carriers exempt under sections 13502, 13503, and 13506.

(c) FEE SYSTEM.—The Secretary may establish, under section 9701 of title 31, a fee system for registration and filing evidence of financial responsibility under the new system under subsection (a). Fees collected under the fee system shall cover the costs of operating and upgrading the registration system, including all personnel costs associated with the system. Fees collected under this subsection may be credited to the Department of Transportation appropriations account for purposes for which such fees are collected, and shall be available for expenditure until expended.

(d) STATE REGISTRATION PROGRAMS.—If the Secretary determines that no State should require insurance filings or collect fees for such filings (including filings and fees authorized under section 14504), the Secretary may prevent any State or political subdivision thereof, or any political authority of 2 or more States, from im-

posing any insurance filing requirements or fees that are for the same purposes as filings or fees the Secretary requires under the new system under subsection (a). The Secretary may not take any action pursuant to this subsection unless—

(1) fees that will be collected by the Secretary under subsection (c) and distributed in each fiscal year to the States will provide each State with at least as much revenue as that State received in fiscal year 1995 under section 11506, as in effect on December 31, 1995; and

(2) all States will receive from the distribution of such fees a minimum apportionment.

(e) DEADLINE FOR CONCLUSION; MODIFICATIONS.—Not later than 24 months after January 1, 1996, the Secretary—

(1) shall conclude the rulemaking under this section;

(2) may implement such changes under this section as the Secretary considers appropriate and in the public interest; and

(3) shall transmit to Congress a report on any findings of the rulemaking and the changes being implemented under this section, together with such recommendations for legislative language necessary to conform this part to such changes.

§ 14101. Providing transportation and service

(a) ON REASONABLE REQUEST.—A carrier providing transportation or service subject to jurisdiction under chapter 135 shall provide the transportation or service on reasonable request. In addition, a motor carrier shall provide safe and adequate service, equipment, and facilities.

(b) CONTRACTS WITH SHIPPERS.—

(1) IN GENERAL.—A carrier providing transportation or service subject to jurisdiction under chapter 135 may enter into a contract with a shipper, other than for the movement of household goods described in section 13102(10)(A), to provide specified services under specified rates and conditions. If the shipper and carrier, in writing, expressly waive any or all rights and remedies under this part for the transportation covered by the contract, the transportation provided under the contract shall not be subject to the waived rights and remedies and may not be subsequently challenged on the ground that it violates the waived rights and remedies. The parties may not

waive the provisions governing registration, insurance, or safety fitness.

(2) REMEDY FOR BREACH OF CONTRACT.—The exclusive remedy for any alleged breach of a contract entered into under this subsection shall be an action in an appropriate State court or United States district court, unless the parties otherwise agree.

§ 14102. Leased motor vehicles

(a) GENERAL AUTHORITY OF SECRETARY.—The Secretary may require a motor carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 that uses motor vehicles not owned by it to transport property under an arrangement with another party to—

(1) make the arrangement in writing signed by the parties specifying its duration and the compensation to be paid by the motor carrier;

(2) carry a copy of the arrangement in each motor vehicle to which it applies during the period the arrangement is in effect;

(3) inspect the motor vehicles and obtain liability and cargo insurance on them; and

(4) have control of and be responsible for operating those motor vehicles in compliance with requirements prescribed by the Secretary on safety of operations and equipment, and with other applicable law as if the motor vehicles were owned by the motor carrier.

(b) RESPONSIBLE PARTY FOR LOADING AND UNLOADING.—The Secretary shall require, by regulation, that any arrangement, between a motor carrier of property providing transportation subject to jurisdiction under subchapter I of chapter 135 and any other person, under which such other person is to provide any portion of such transportation by a motor vehicle not owned by the carrier shall specify, in writing, who is responsible for loading and unloading the property onto and from the motor vehicle.

§ 14103. Loading and unloading motor vehicles

(a) SHIPPER RESPONSIBLE FOR ASSISTING.—Whenever a shipper or receiver of property requires that any person who owns or operates a motor vehicle transporting property in interstate commerce (whether or not such transportation is subject to jurisdiction under subchapter I of chapter 135) be assisted in the loading or unloading of such vehicle, the shipper or receiver shall be responsible for providing such assistance or shall compensate the owner or operator for all costs associated with securing and compensating the person or persons providing such assistance.

(b) COERCION PROHIBITED.—It shall be unlawful to coerce or attempt to coerce any person providing transportation of property by motor vehicle for compensation in interstate commerce (whether or not such transportation is subject to jurisdiction under subchapter I of chapter 135) to load or unload any part of such property onto or from such vehicle or to employ or pay one or more persons to load or unload any part of such property onto or from such vehicle; except that this subsection shall not be construed as mak-

ing unlawful any activity which is not unlawful under the National Labor Relations Act or the Act of March 23, 1932 (47 Stat. 70; 29 U.S.C. 101 et seq.), commonly known as the Norris-LaGuardia Act.

§ 14104. Household goods carrier operations

(a) GENERAL REGULATORY AUTHORITY.—

(1) PAPERWORK MINIMIZATION.—The Secretary may issue regulations, including regulations protecting individual shippers, in order to carry out this part with respect to the transportation of household goods by motor carriers subject to jurisdiction under subchapter I of chapter 135. The regulations and paperwork required of motor carriers providing transportation of household goods shall be minimized to the maximum extent feasible consistent with the protection of individual shippers.

(2) PERFORMANCE STANDARDS.—

(A) IN GENERAL.—Regulations of the Secretary protecting individual shippers shall include, where appropriate, reasonable performance standards for the transportation of household goods subject to jurisdiction under subchapter I of chapter 135.

(B) FACTORS TO CONSIDER.—In establishing performance standards under this paragraph, the Secretary shall take into account at least the following—

(i) the level of performance that can be achieved by a well-managed motor carrier transporting household goods;

(ii) the degree of harm to individual shippers which could result from a violation of the regulation;

(iii) the need to set the level of performance at a level sufficient to deter abuses which result in harm to consumers and violations of regulations;

(iv) service requirements of the carriers;

(v) the cost of compliance in relation to the consumer benefits to be achieved from such compliance; and

(vi) the need to set the level of performance at a level designed to encourage carriers to offer service responsive to shipper needs.

(3) LIMITATIONS ON STATUTORY CONSTRUCTION.—Nothing in this section shall be construed to limit the Secretary's authority to require reports from motor carriers providing transportation of household goods or to require such carriers to provide specified information to consumers concerning their past performance.

(b) ESTIMATES.—

(1) AUTHORITY TO PROVIDE WITHOUT COMPENSATION.—Every motor carrier providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135, upon request of a prospective shipper, may provide the shipper with an estimate of charges for transportation of household goods and for the proposed services. The Secretary shall not prohibit any such carrier from charging a prospective shipper for providing a written, binding estimate for the transportation and proposed services.

(2) **APPLICABILITY OF ANTITRUST LAWS.**—Any charge for an estimate of charges provided by a motor carrier to a shipper for transportation of household goods subject to jurisdiction under subchapter I of chapter 135 shall be subject to the antitrust laws, as defined in the first section of the Clayton Act (15 U.S.C. 12).

(c) **FLEXIBILITY IN WEIGHING SHIPMENTS.**—The Secretary shall issue regulations that provide motor carriers providing transportation of household goods subject to jurisdiction under subchapter I of chapter 135 with the maximum possible flexibility in weighing shipments, consistent with assurance to the shipper of accurate weighing practices. The Secretary shall not prohibit such carriers from backweighing shipments or from basing their charges on the reweigh weights if the shipper observes both the tare and gross weighings (or, prior to such weighings, waives in writing the opportunity to observe such weighings) and such weighings are performed on the same scale.

SUBCHAPTER II—REPORTS AND RECORDS

§ 14121. Definitions

In this subchapter, the following definitions apply:

(1) **CARRIER AND BROKER.**—The terms “carrier” and “broker” include a receiver or trustee of a carrier and broker, respectively.

(2) **ASSOCIATION.**—The term “association” means an organization maintained by or in the interest of a group of carriers or brokers providing transportation or service subject to jurisdiction under chapter 135 that performs a service, or engages in activities, related to transportation under this part.

§ 14122. Records: form; inspection; preservation

(a) **FORM OF RECORDS.**—The Secretary or the Board, as applicable, may prescribe the form of records required to be prepared or compiled under this subchapter by carriers and brokers, including records related to movement of traffic and receipts and expenditures of money.

(b) **RIGHT OF INSPECTION.**—The Secretary or Board, or an employee designated by the Secretary or Board, may on demand and display of proper credentials—

(1) inspect and examine the lands, buildings, and equipment of a carrier or broker; and

(2) inspect and copy any record of—

(A) a carrier, broker, or association; and

(B) a person controlling, controlled by, or under common control with a carrier if the Secretary or Board, as applicable, considers inspection relevant to that person’s relation to, or transaction with, that carrier.

(c) **PERIOD FOR PRESERVATION OF RECORDS.**—The Secretary or Board, as applicable, may prescribe the time period during which operating, accounting, and financial records must be preserved by carriers and brokers.

§ 14123. Financial reporting**(a) REPORTS.—**

(1) **ANNUAL REPORTS.**—The Secretary shall require Class I and Class II motor carriers to file with the Secretary annual financial and safety reports, the form and substance of which shall be prescribed by the Secretary; except that, at a minimum, such reports shall include balance sheets and income statements.

(2) **OTHER REPORTS.**—The Secretary may require motor carriers, freight forwarders, brokers, lessors, and associations, or classes of them as the Secretary may prescribe, to file quarterly, periodic, or special reports with the Secretary and to respond to surveys concerning their operations.

(b) **MATTERS TO BE COVERED.**—In determining the matters to be covered by any reports to be filed under subsection (a), the Secretary shall consider—

- (1) safety needs;
- (2) the need to preserve confidential business information and trade secrets and prevent competitive harm;
- (3) private sector, academic, and public use of information in the reports; and
- (4) the public interest.

(c) EXEMPTIONS.—

(1) **FROM FILING.**—The Secretary may exempt upon good cause shown any party from the financial reporting requirements of subsection (a). Any request for such exemption must demonstrate, at a minimum, that an exemption is required to avoid competitive harm and preserve confidential business information that is not otherwise publicly available.

(2) FROM PUBLIC RELEASE.—

(A) **IN GENERAL.**—The Secretary shall allow, upon request, a filer of a report under subsection (a) that is not a publicly held corporation or that is not subject to financial reporting requirements of the Securities and Exchange Commission, an exemption from the public release of such report.

(B) **PROCEDURE.**—After a request under subparagraph (A) and notice and opportunity for comment but in no event later than 90 days after the date of such request, the Secretary shall approve such request if the Secretary finds that the exemption requested is necessary to avoid competitive harm and to avoid the disclosure of information that qualifies as a trade secret or privileged or confidential information under section 552(b)(4) of title 5.

(C) **USE OF DATA FOR INTERNAL DOT PURPOSES.**—If an exemption is granted under this paragraph, nothing shall prevent the Secretary from using data from reports filed under this subsection for internal purposes of the Department of Transportation or including such data in aggregate industry statistics released for publication if such inclusion would not render the filer's data readily identifiable.

(D) PENDING REQUESTS.—The Secretary shall not release publicly the report of a carrier making a request under subparagraph (A) while such request is pending.

(3) PERIOD OF EXEMPTIONS.—Exemptions granted under this subsection shall be for 3-year periods.

Sec.

14301. Security interests in certain motor vehicles.

14302. Pooling and division of transportation or earnings.

14303. Consolidation, merger, and acquisition of control of motor carriers of passengers.

§ 14301. Security interests in certain motor vehicles

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) MOTOR VEHICLE.—The term “motor vehicle” means a truck of rated capacity (gross vehicle weight) of at least 10,000 pounds, a highway tractor of rated capacity (gross combination weight) of at least 10,000 pounds, a property-carrying trailer or semitrailer with at least one load-carrying axle of at least 10,000 pounds, or a motor bus with a seating capacity of at least 10 individuals.

(2) LIEN CREDITOR.—The term “lien creditor” means a creditor having a lien on a motor vehicle and includes an assignee for benefit of creditors from the date of assignment, a trustee in a case under title 11 from the date of filing of the petition in that case, and a receiver in equity from the date of appointment of the receiver.

(3) SECURITY INTEREST.—The term “security interest” means an interest (including an interest established by a conditional sales contract, mortgage, equipment trust, or other lien or title retention contract, or lease) in a motor vehicle when the interest secures payment or performance of an obligation.

(4) PERFECTION.—The term “perfection”, as related to a security interest, means taking action (including public filing, recording, notation on a certificate of title, and possession of collateral by the secured party), or the existence of facts, required under law to make a security interest enforceable against general creditors and subsequent lien creditors of a debtor, but does not include compliance with requirements related only to the establishment of a valid security interest between the debtor and the secured party.

(b) REQUIREMENTS FOR PERFECTION OF SECURITY INTEREST.—A security interest in a motor vehicle owned by, or in the possession and use of, a carrier registered under section 13902 of this title and owing payment or performance of an obligation secured by that security interest is perfected in all jurisdictions against all general, and subsequent lien, creditors of, and all persons taking

a motor vehicle by sale (or taking or retaining a security interest in a motor vehicle) from, that carrier when—

(1) a certificate of title is issued for a motor vehicle under a law of a jurisdiction that requires or permits indication, on a certificate or title, of a security interest in the motor vehicle if the security interest is indicated on the certificate;

(2) a certificate of title has not been issued and the law of the State where the principal place of business of that carrier is located requires or permits public filing or recording of, or in relation to, that security interest if there has been such a public filing or recording; and

(3) a certificate of title has not been issued and the security interest cannot be perfected under paragraph (2) of this subsection, if the security interest has been perfected under the law (including the conflict of laws rules) of the State where the principal place of business of that carrier is located.

§ 14302. Pooling and division of transportation or earnings

(a) **APPROVAL REQUIRED.**—A carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 may not agree or combine with another such carrier to pool or divide traffic or services or any part of their earnings without the approval of the Board under this section.

(b) **STANDARDS FOR APPROVAL.**—The Board may approve and authorize an agreement or combination between or among motor carriers of passengers, or between a motor carrier of passengers and a rail carrier of passengers if the carriers involved assent to the pooling or division and the Board finds that a pooling or division of traffic, services, or earnings—

(1) will be in the interest of better service to the public or of economy of operation; and

(2) will not unreasonably restrain competition.

(c) **PROCEDURE.**—

(1) **APPLICATION.**—Any motor carrier of property may apply to the Board for approval of an agreement or combination with another such carrier to pool or divide traffic or any services or any part of their earnings by filing such agreement or combination with the Board not less than 50 days before its effective date.

(2) **DETERMINATION OF IMPORTANCE AND RESTRAINT ON COMPETITION.**—Prior to the effective date of the agreement or combination, the Board shall determine whether the agreement or combination is of major transportation importance and whether there is substantial likelihood that the agreement or combination will unduly restrain competition. If the Board determines that neither of these 2 factors exists, it shall, prior to such effective date and without a hearing, approve and authorize the agreement or combination, under such rules and regulations as the Board may issue, and for such consideration between such carriers and upon such terms and conditions as shall be found by the Board to be just and reasonable.

(3) **HEARING.**—If the Board determines either that the agreement or combination is of major transportation importance or that there is substantial likelihood that the agreement

or combination will unduly restrain competition, the Board shall hold a hearing concerning whether the agreement or combination will be in the interest of better service to the public or of economy in operation and whether it will unduly restrain competition and shall suspend operation of such agreement or combination pending such hearing and final decision thereon. After such hearing, the Board shall indicate to what extent it finds that the agreement or combination will be in the interest of better service to the public or of economy in operation and will not unduly restrain competition and if assented to by all the carriers involved, shall to that extent, approve and authorize the agreement or combination, under such rules and regulations as the Board may issue, and for such consideration between such carriers and upon such terms and conditions as shall be found by the Board to be just and reasonable.

(4) SPECIAL RULES FOR HOUSEHOLD GOODS CARRIERS.—In the case of an application for Board approval of an agreement or combination between a motor carrier providing transportation of household goods and its agents to pool or divide traffic or services or any part of their earnings, such agreement or combination shall be presumed to be in the interest of better service to the public and of economy in operation and not to restrain competition unduly if the practices proposed to be carried out under such agreement or combination are the same as or similar to practices carried out under agreements and combinations between motor carriers providing transportation of household goods to pool or divide traffic or service of any part of their earnings approved by the Interstate Commerce Commission before January 1, 1996.

(5) STREAMLINING AND SIMPLIFYING.—The Board shall streamline, simplify, and expedite, to the maximum extent practicable, the process (including any paperwork) for submission and approval of applications under this section for agreements and combinations between motor carriers providing transportation of household goods and their agents.

(d) CONDITIONS.—The Board may impose conditions governing the pooling or division and may approve and authorize payment of a reasonable consideration between the carriers.

(e) INITIATION OF PROCEEDING.—The Board may begin a proceeding under this section on its own initiative or on application.

(f) EFFECT OF APPROVAL.—A carrier may participate in an arrangement approved by or exempted by the Board under this section without the approval of any other Federal, State, or municipal body. A carrier participating in an approved or exempted arrangement is exempt from the antitrust laws and from all other law, including State and municipal law, as necessary to let that person carry out the arrangement.

(g) CONTINUATION OF EXISTING AGREEMENTS.—Any agreements in operation under the provisions of this title on January 1, 1996, that are succeeded by this section shall remain in effect until further order of the Board.

(h) DEFINITIONS.—In this section, the following definitions apply:

(1) HOUSEHOLD GOODS.—The term “household goods” has the meaning such term had under section 10102(11) of this title, as in effect on December 31, 1995.

(2) TRANSPORTATION.—The term “transportation” means transportation that would be subject to the jurisdiction of the Interstate Commerce Commission under subchapter II of chapter 105 of this title, as in effect on December 31, 1995, if such subchapter were still in effect.

§ 14303. Consolidation, merger, and acquisition of control of motor carriers of passengers

(a) APPROVAL REQUIRED.—The following transactions involving motor carriers of passengers subject to jurisdiction under subchapter I of chapter 135 may be carried out only with the approval of the Board:

(1) Consolidation or merger of the properties or franchises of at least 2 carriers into one operation for the ownership, management, and operation of the previously separately owned properties.

(2) A purchase, lease, or contract to operate property of another carrier by any number of carriers.

(3) Acquisition of control of a carrier by any number of carriers.

(4) Acquisition of control of at least 2 carriers by a person that is not a carrier.

(5) Acquisition of control of a carrier by a person that is not a carrier but that controls any number of carriers.

(b) STANDARD FOR APPROVAL.—The Board shall approve and authorize a transaction under this section when it finds the transaction is consistent with the public interest. The Board shall consider at least the following:

(1) The effect of the proposed transaction on the adequacy of transportation to the public.

(2) The total fixed charges that result from the proposed transaction.

(3) The interest of carrier employees affected by the proposed transaction.

The Board may impose conditions governing the transaction.

(c) DETERMINATION OF COMPLETENESS OF APPLICATION.—Within 30 days after the date on which an application is filed under this section, the Board shall either publish a notice of the application in the Federal Register or reject the application if it is incomplete.

(d) COMMENTS.—Written comments about an application may be filed with the Board within 45 days after the date on which notice of the application is published under subsection (c).

(e) DEADLINES.—The Board shall conclude evidentiary proceedings by the 240th day after the date on which notice of the application is published under subsection (c). The Board shall issue a final decision by the 180th day after the conclusion of the evidentiary proceedings. The Board may extend a time period under this subsection; except that the total of all such extensions with respect to any application shall not exceed 90 days.

(f) **EFFECT OF APPROVAL.**—A carrier or corporation participating in or resulting from a transaction approved by the Board under this section, or exempted by the Board from the application of this section pursuant to section 13541, may carry out the transaction, own and operate property, and exercise control or franchises acquired through the transaction without the approval of a State authority. A carrier, corporation, or person participating in the approved or exempted transaction is exempt from the antitrust laws and from all other law, including State and municipal law, as necessary to let that person carry out the transaction, hold, maintain, and operate property, and exercise control or franchises acquired through the transaction.

(g) **LIMITATION ON APPLICABILITY.**—This section shall not apply to transactions involving carriers whose aggregate gross operating revenues were not more than \$2,000,000 during a period of 12 consecutive months ending not more than 6 months before the date of the agreement of the parties.

(h) **APPLICABILITY OF CERTAIN PROVISIONS.**—When the Board approves and authorizes a transaction under this section in which a person not a carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 acquires control of at least 1 carrier subject to such jurisdiction, the person is subject, as a carrier, to the following provisions of this title that apply to the carrier being acquired by that person, to the extent specified by the Board: sections 504(f), 14121–14123, 14901(a), and 14907.

(i) **INTERIM APPROVAL.**—Pending determination of an application filed under this section, the Board may approve, for a period of not more than 180 days, the operation of the properties sought to be acquired by the person proposing in the application to acquire those properties, when it appears that failure to do so may result in destruction of or injury to those properties or substantially interfere with their future usefulness in providing adequate and continuous service to the public. Transportation provided by a motor carrier under a grant of approval under this subsection is subject to this part.

(j) **SUPPLEMENTAL ORDERS.**—When cause exists, the Board may issue appropriate orders supplemental to an order made in a proceeding under this section.

Sec.

14501. Federal authority over intrastate transportation.

14502. Tax discrimination against motor carrier transportation property.

14503. Withholding State and local income tax by certain carriers.

14504. Registration of motor carriers by a State.

14505. State tax.

§ 14501. Federal authority over intrastate transportation

(a) **MOTOR CARRIERS OF PASSENGERS.**—

(1) **LIMITATION ON STATE LAW.**—No State or political subdivision thereof and no interstate agency or other political agency of 2 or more States shall enact or enforce any law, rule, regulation, standard, or other provision having the force and effect of law relating to—

(A) scheduling of interstate or intrastate transportation (including discontinuance or reduction in the level of service) provided by a motor carrier of passengers subject to jurisdiction under subchapter I of chapter 135 of this title on an interstate route;

(B) the implementation of any change in the rates for such transportation or for any charter transportation except to the extent that notice, not in excess of 30 days, of changes in schedules may be required; or

(C) the authority to provide intrastate or interstate charter bus transportation.

This paragraph shall not apply to intrastate commuter bus operations, or to intrastate bus transportation of any nature in the State of Hawaii.

(2) MATTERS NOT COVERED.—Paragraph (1) shall not restrict the safety regulatory authority of a State with respect to motor vehicles, the authority of a State to impose highway route controls or limitations based on the size or weight of the motor vehicle, or the authority of a State to regulate carriers with regard to minimum amounts of financial responsibility relating to insurance requirements and self-insurance authorization.

(b) FREIGHT FORWARDERS AND BROKERS.—

(1) GENERAL RULE.—Subject to paragraph (2) of this subsection, no State or political subdivision thereof and no intrastate agency or other political agency of 2 or more States shall enact or enforce any law, rule, regulation, standard, or other provision having the force and effect of law relating to intrastate rates, intrastate routes, or intrastate services of any freight forwarder or broker.

(2) CONTINUATION OF HAWAII'S AUTHORITY.—Nothing in this subsection and the amendments made by the Surface Freight Forwarder Deregulation Act of 1986 shall be construed to affect the authority of the State of Hawaii to continue to regulate a motor carrier operating within the State of Hawaii.

(c) MOTOR CARRIERS OF PROPERTY.—

(1) GENERAL RULE.—Except as provided in paragraphs (2) and (3), a State, political subdivision of a State, or political authority of 2 or more States may not enact or enforce a law, regulation, or other provision having the force and effect of law related to a price, route, or service of any motor carrier (other than a carrier affiliated with a direct air carrier covered by section 41713(b)(4)) or any motor private carrier, broker, or freight forwarder with respect to the transportation of property.

(2) MATTERS NOT COVERED.—Paragraph (1)—

(A) shall not restrict the safety regulatory authority of a State with respect to motor vehicles, the authority of a State to impose highway route controls or limitations based on the size or weight of the motor vehicle or the hazardous nature of the cargo, or the authority of a State to regulate motor carriers with regard to minimum amounts of financial responsibility relating to insurance requirements and self-insurance authorization;

(B) does not apply to the transportation of household goods; and

(C) does not apply to the authority of a State or a political subdivision of a State to enact or enforce a law, regulation, or other provision relating to the price of for-hire motor vehicle transportation by a tow truck, if such transportation is performed without the prior consent or authorization of the owner or operator of the motor vehicle.

(3) STATE STANDARD TRANSPORTATION PRACTICES.—

(A) CONTINUATION.—Paragraph (1) shall not affect any authority of a State, political subdivision of a State, or political authority of 2 or more States to enact or enforce a law, regulation, or other provision, with respect to the intrastate transportation of property by motor carriers, related to—

- (i) uniform cargo liability rules,
- (ii) uniform bills of lading or receipts for property being transported,
- (iii) uniform cargo credit rules,
- (iv) antitrust immunity for joint line rates or routes, classifications, mileage guides, and pooling, or
- (v) antitrust immunity for agent-van line operations (as set forth in section 13907),

if such law, regulation, or provision meets the requirements of subparagraph (B).

(B) REQUIREMENTS.—A law, regulation, or provision of a State, political subdivision, or political authority meets the requirements of this subparagraph if—

- (i) the law, regulation, or provision covers the same subject matter as, and compliance with such law, regulation, or provision is no more burdensome than compliance with, a provision of this part or a regulation issued by the Secretary or the Board under this part; and
- (ii) the law, regulation, or provision only applies to a carrier upon request of such carrier.

(C) ELECTION.—Notwithstanding any other provision of law, a carrier affiliated with a direct air carrier through common controlling ownership may elect to be subject to a law, regulation, or provision of a State, political subdivision, or political authority under this paragraph.

(4) NONAPPLICABILITY TO HAWAII.—This subsection shall not apply with respect to the State of Hawaii.

§ 14502. Tax discrimination against motor carrier transportation property

(a) DEFINITIONS.—In this section, the following definitions apply:

(1) ASSESSMENT.—The term “assessment” means valuation for a property tax levied by a taxing district.

(2) ASSESSMENT JURISDICTION.—The term “assessment jurisdiction” means a geographical area in a State used in

determining the assessed value of property for ad valorem taxation.

(3) MOTOR CARRIER TRANSPORTATION PROPERTY.—The term “motor carrier transportation property” means property, as defined by the Secretary, owned or used by a motor carrier providing transportation in interstate commerce whether or not such transportation is subject to jurisdiction under subchapter I of chapter 135.

(4) COMMERCIAL AND INDUSTRIAL PROPERTY.—The term “commercial and industrial property” means property, other than transportation property and land used primarily for agricultural purposes or timber growing, devoted to a commercial or industrial use, and subject to a property tax levy.

(b) ACTS BURDENING INTERSTATE COMMERCE.—The following acts unreasonably burden and discriminate against interstate commerce and a State, subdivision of a State, or authority acting for a State or subdivision of a State may not do any of them:

(1) EXCESSIVE VALUATION OF PROPERTY.—Assess motor carrier transportation property at a value that has a higher ratio to the true market value of the motor carrier transportation property than the ratio that the assessed value of other commercial and industrial property in the same assessment jurisdiction has to the true market value of the other commercial and industrial property.

(2) TAX ON ASSESSMENT.—Levy or collect a tax on an assessment that may not be made under paragraph (1).

(3) AD VALOREM TAX.—Levy or collect an ad valorem property tax on motor carrier transportation property at a tax rate that exceeds the tax rate applicable to commercial and industrial property in the same assessment jurisdiction.

(c) JURISDICTION.—

(1) IN GENERAL.—Notwithstanding section 1341 of title 28 and without regard to the amount in controversy or citizenship of the parties, a district court of the United States has jurisdiction, concurrent with other jurisdiction of courts of the United States and the States, to prevent a violation of subsection (b) of this section.

(2) LIMITATION IN RELIEF.—Relief may be granted under this subsection only if the ratio of assessed value to true market value of motor carrier transportation property exceeds, by at least 5 percent, the ratio of assessed value to true market value of other commercial and industrial property in the same assessment jurisdiction.

(3) BURDEN OF PROOF.—The burden of proof in determining assessed value and true market value is governed by State law.

(4) VIOLATION.—If the ratio of the assessed value of other commercial and industrial property in the assessment jurisdiction to the true market value of all other commercial and industrial property cannot be determined to the satisfaction of the district court through the random-sampling method known as a sales assessment ratio study (to be carried out under statistical principles applicable to such a study), the court shall find, as a violation of this section—

(A) an assessment of the motor carrier transportation property at a value that has a higher ratio to the true market value of the motor carrier transportation property than the assessment value of all other property subject to a property tax levy in the assessment jurisdiction has to the true market value of all such other property; and

(B) the collection of ad valorem property tax on the motor carrier transportation property at a tax rate that exceeds the tax ratio rate applicable to taxable property in the taxing district.

§ 14503. Withholding State and local income tax by certain carriers

(a) SINGLE STATE TAX WITHHOLDING.—

(1) IN GENERAL.—No part of the compensation paid by a motor carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 or by a motor private carrier to an employee who performs regularly assigned duties in 2 or more States as such an employee with respect to a motor vehicle shall be subject to the income tax laws of any State or subdivision of that State, other than the State or subdivision thereof of the employee's residence.

(2) EMPLOYEE DEFINED.—In this subsection, the term “employee” has the meaning given such term in section 31132.

(b) SPECIAL RULES.—

(1) CALCULATION OF EARNINGS.—In this subsection, an employee is deemed to have earned more than 50 percent of pay in a State or subdivision of that State in which the time worked by the employee in the State or subdivision is more than 50 percent of the total time worked by the employee while employed during the calendar year.

(2) WATER CARRIERS.—A water carrier providing transportation subject to jurisdiction under subchapter II of chapter 135 shall file income tax information returns and other reports only with—

(A) the State and subdivision of residence of the employee (as shown on the employment records of the carrier); and

(B) the State and subdivision in which the employee earned more than 50 percent of the pay received by the employee from the carrier during the preceding calendar year.

(3) APPLICABILITY TO SAILORS.—This subsection applies to pay of a master, officer, or sailor who is a member of the crew on a vessel engaged in foreign, coastwise, intercoastal, or non-contiguous trade or in the fisheries of the United States.

(c) FILING OF INFORMATION.—A motor and motor private carrier withholding pay from an employee under subsection (a) of this section shall file income tax information returns and other reports only with the State and subdivision of residence of the employee.

§ 14504. Registration of motor carriers by a State

(a) DEFINITIONS.—In this section, the terms “standards” and “amendments to standards” mean the specification of forms and

procedures required by regulations of the Secretary to prove the lawfulness of transportation by motor carrier referred to in section 13501.

(b) GENERAL RULE.—The requirement of a State that a motor carrier, providing transportation subject to jurisdiction under subchapter I of chapter 135 and providing transportation in that State, must register with the State is not an unreasonable burden on transportation referred to in section 13501 when the State registration is completed under standards of the Secretary under subsection (c). When a State registration requirement imposes obligations in excess of the standards of the Secretary, the part in excess is an unreasonable burden.

(c) SINGLE STATE REGISTRATION SYSTEM.—

(1) IN GENERAL.—The Secretary shall maintain standards for implementing a system under which—

(A) a motor carrier is required to register annually with only one State by providing evidence of its Federal registration under chapter 139;

(B) the State of registration shall fully comply with standards prescribed under this section; and

(C) such single State registration shall be deemed to satisfy the registration requirements of all other States.

(2) SPECIFIC REQUIREMENTS.—

(A) EVIDENCE OF FEDERAL REGISTRATION; PROOF OF INSURANCE; PAYMENT OF FEES.—Under the standards of the Secretary implementing the single State registration system described in paragraph (1) of this subsection, only a State acting in its capacity as registration State under such single State system may require a motor carrier registered by the Secretary under this part—

(i) to file and maintain evidence of such Federal registration;

(ii) to file satisfactory proof of required insurance or qualification as a self-insurer;

(iii) to pay directly to such State fee amounts in accordance with the fee system established under subparagraph (B)(iv) of this paragraph, subject to allocation of fee revenues among all States in which the carrier operates and which participate in the single State registration system; and

(iv) to file the name of a local agent for service of process.

(B) RECEIPTS; FEE SYSTEM.—The standards of the Secretary—

(i) shall require that the registration State issue a receipt, in a form prescribed under the standards, reflecting that the carrier has filed proof of insurance as provided under subparagraph (A)(ii) of this paragraph and has paid fee amounts in accordance with the fee system established under clause (iv) of this subparagraph;

(ii) shall require that copies of the receipt issued under clause (i) of this subparagraph be kept in each of the carrier's commercial motor vehicles;

(iii) shall not require decals, stamps, cab cards, or any other means of registering or identifying specific vehicles operated by the carrier;

(iv) shall establish a fee system for the filing of proof of insurance as provided under subparagraph (A)(ii) of this paragraph that—

(I) is based on the number of commercial motor vehicles the carrier operates in a State and on the number of States in which the carrier operates;

(II) minimizes the costs of complying with the registration system; and

(III) results in a fee for each participating State that is equal to the fee, not to exceed \$10 per vehicle, that such State collected or charged as of November 15, 1991; and

(v) shall not authorize the charging or collection of any fee for filing and maintaining evidence of Federal registration under subparagraph (A)(i) of this paragraph.

(C) PROHIBITED FEES.—The charging or collection of any fee under this section that is not in accordance with the fee system established under subparagraph (B)(iv) of this paragraph shall be deemed to be a burden on interstate commerce.

§ 14701. General authority

(a) INVESTIGATIONS.—The Secretary or the Board, as applicable, may begin an investigation under this part on the Secretary's or the Board's own initiative or on complaint. If the Secretary or Board, as applicable, finds that a carrier or broker is violating this part, the Secretary or Board, as applicable, shall take appropriate action to compel compliance with this part. If the Secretary finds that a foreign motor carrier or foreign motor private carrier is violating chapter 139, the Secretary shall take appropriate action to compel compliance with that chapter. The Secretary or Board, as applicable, may take action under this subsection only after giving the carrier or broker notice of the investigation and an opportunity for a proceeding.

(b) COMPLAINTS.—A person, including a governmental authority, may file with the Secretary or Board, as applicable, a complaint about a violation of this part by a carrier providing, or broker for, transportation or service subject to jurisdiction under this part or a foreign motor carrier or foreign motor private carrier providing transportation registered under section 13902 of this title. The complaint must state the facts that are the subject of the violation. The Secretary or Board, as applicable, may dismiss a complaint that it determines does not state reasonable grounds for investigation and action.

(c) DEADLINE.—A formal investigative proceeding begun by the Secretary or Board under subsection (a) of this section is dismissed automatically unless it is concluded with administrative finality by the end of the 3d year after the date on which it was begun.

§ 14702. Enforcement by the regulatory authority

(a) IN GENERAL.—The Secretary or the Board, as applicable, may bring a civil action—

(1) to enforce section 14103 of this title; or

(2) to enforce this part, or a regulation or order of the Secretary or Board, as applicable, when violated by a carrier or broker providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 of this title or by a foreign motor carrier or foreign motor private carrier providing transportation registered under section 13902 of this title.

(b) VENUE.—In a civil action under subsection (a)(2) of this section—

(1) trial is in the judicial district in which the carrier, foreign motor carrier, foreign motor private carrier, or broker operates;

(2) process may be served without regard to the territorial limits of the district or of the State in which the action is instituted; and

(3) a person participating with a carrier or broker in a violation may be joined in the civil action without regard to the residence of the person.

(c) STANDING.—The Board, through its own attorneys, may bring or participate in any civil action involving motor carrier undercharges.

§ 14703. Enforcement by the Attorney General

The Attorney General may, and on request of either the Secretary or the Board shall, bring court proceedings—

- (1) to enforce this part or a regulation or order of the Secretary or Board or terms of registration under this part; and
- (2) to prosecute a person violating this part or a regulation or order of the Secretary or Board or term of registration under this part.

§ 14704. Rights and remedies of persons injured by carriers or brokers

(a) IN GENERAL.—

(1) ENFORCEMENT OF ORDER.—A person injured because a carrier or broker providing transportation or service subject to jurisdiction under chapter 135 does not obey an order of the Secretary or the Board, as applicable, under this part, except an order for the payment of money, may bring a civil action to enforce that order under this subsection. A person may bring a civil action for injunctive relief for violations of sections 14102 and 14103.

(2) DAMAGES FOR VIOLATIONS.—A carrier or broker providing transportation or service subject to jurisdiction under chapter 135 is liable for damages sustained by a person as a result of an act or omission of that carrier or broker in violation of this part.

(b) LIABILITY AND DAMAGES FOR EXCEEDING TARIFF RATE.—A carrier providing transportation or service subject to jurisdiction under chapter 135 is liable to a person for amounts charged that exceed the applicable rate for transportation or service contained in a tariff in effect under section 13702.

(c) ELECTION.—

(1) COMPLAINT TO DOT OR BOARD; CIVIL ACTION.—A person may file a complaint with the Board or the Secretary, as applicable, under section 14701(b) or bring a civil action under subsection (b) to enforce liability against a carrier or broker providing transportation or service subject to jurisdiction under chapter 135.

(2) ORDER OF DOT OR BOARD.—

(A) IN GENERAL.—When the Board or Secretary, as applicable, makes an award under subsection (b) of this section, the Board or Secretary, as applicable, shall order the carrier to pay the amount awarded by a specific date. The Board or Secretary, as applicable, may order a carrier or broker providing transportation or service subject to jurisdiction under chapter 135 to pay damages only when the proceeding is on complaint.

(B) ENFORCEMENT BY CIVIL ACTION.—The person for whose benefit an order of the Board or Secretary requiring the payment of money is made may bring a civil action to enforce that order under this paragraph if the carrier or broker does not pay the amount awarded by the date payment was ordered to be made.

(d) PROCEDURE.—

(1) IN GENERAL.—When a person begins a civil action under subsection (b) of this section to enforce an order of the Board or Secretary requiring the payment of damages by a carrier or broker providing transportation or service subject to jurisdiction under chapter 135 of this title, the text of the order of the Board or Secretary must be included in the complaint. In addition to the district courts of the United States, a State court of general jurisdiction having jurisdiction of the parties has jurisdiction to enforce an order under this paragraph. The findings and order of the Board or Secretary are competent evidence of the facts stated in them. Trial in a civil action brought in a district court of the United States under this paragraph is in the judicial district in which the plaintiff resides or in which the principal operating office of the carrier or broker is located. In a civil action under this paragraph, the plaintiff is liable for only those costs that accrue on an appeal taken by the plaintiff.

(2) PARTIES.—All parties in whose favor the award was made may be joined as plaintiffs in a civil action brought in a district court of the United States under this subsection and all the carriers that are parties to the order awarding damages may be joined as defendants. Trial in the action is in the judicial district in which any one of the plaintiffs could bring the action against any one of the defendants. Process may be served on a defendant at its principal operating office when that defendant is not in the district in which the action is brought. A judgment ordering recovery may be made in favor of any of those plaintiffs against the defendant found to be liable to that plaintiff.

(e) ATTORNEY'S FEES.—The district court shall award a reasonable attorney's fee under this section. The district court shall tax and collect that fee as part of the costs of the action.

§ 14705. Limitation on actions by and against carriers

(a) IN GENERAL.—A carrier providing transportation or service subject to jurisdiction under chapter 135 must begin a civil action to recover charges for transportation or service provided by the carrier within 18 months after the claim accrues.

(b) OVERCHARGES.—A person must begin a civil action to recover overcharges within 18 months after the claim accrues. If the claim is against a carrier providing transportation subject to jurisdiction under chapter 135 and an election to file a complaint with the Board or Secretary, as applicable, is made under section 14704(c)(1), the complaint must be filed within 3 years after the claim accrues.

(c) DAMAGES.—A person must file a complaint with the Board or Secretary, as applicable, to recover damages under section 14704(b) within 2 years after the claim accrues.

(d) EXTENSIONS.—The limitation periods under subsection (b) of this section are extended for 6 months from the time written notice is given to the claimant by the carrier of disallowance of any part of the claim specified in the notice if a written claim is given to the carrier within those limitation periods. The limitation periods under subsections (b) and (c) of this section are extended for

90 days from the time the carrier begins a civil action under subsection (a) to recover charges related to the same transportation or service, or collects (without beginning a civil action under that subsection) the charge for that transportation or service if that action is begun or collection is made within the appropriate period.

(e) **PAYMENT.**—A person must begin a civil action to enforce an order of the Board or Secretary against a carrier within 1 year after the date of the order.

(f) **GOVERNMENT TRANSPORTATION.**—This section applies to transportation for the United States Government. The time limitations under this section are extended, as related to transportation for or on behalf of the United States Government, for 3 years from the later of the date of—

(1) payment of the rate for the transportation or service involved;

(2) subsequent refund for overpayment of that rate; or

(3) deduction made under section 3726 of title 31.

(g) **ACCRUAL DATE.**—A claim related to a shipment of property accrues under this section on delivery or tender of delivery by the carrier.

§ 14706. Liability of carriers under receipts and bills of lading

(a) **GENERAL LIABILITY.**—

(1) **MOTOR CARRIERS AND FREIGHT FORWARDERS.**—A carrier providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 shall issue a receipt or bill of lading for property it receives for transportation under this part. That carrier and any other carrier that delivers the property and is providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 or chapter 105 are liable to the person entitled to recover under the receipt or bill of lading. The liability imposed under this paragraph is for the actual loss or injury to the property caused by (A) the receiving carrier, (B) the delivering carrier, or (C) another carrier over whose line or route the property is transported in the United States or from a place in the United States to a place in an adjacent foreign country when transported under a through bill of lading and, except in the case of a freight forwarder, applies to property reconsigned or diverted under a tariff under section 13702. Failure to issue a receipt or bill of lading does not affect the liability of a carrier. A delivering carrier is deemed to be the carrier performing the line-haul transportation nearest the destination but does not include a carrier providing only a switching service at the destination.

(2) **FREIGHT FORWARDER.**—A freight forwarder is both the receiving and delivering carrier. When a freight forwarder provides service and uses a motor carrier providing transportation subject to jurisdiction under subchapter I of chapter 135 to receive property from a consignor, the motor carrier may execute the bill of lading or shipping receipt for the freight forwarder with its consent. With the consent of the freight forwarder, a motor carrier may deliver property for a freight forwarder on the freight forwarder's bill of lading, freight bill, or shipping

receipt to the consignee named in it, and receipt for the property may be made on the freight forwarder's delivery receipt.

(b) APPORTIONMENT.—The carrier issuing the receipt or bill of lading under subsection (a) of this section or delivering the property for which the receipt or bill of lading was issued is entitled to recover from the carrier over whose line or route the loss or injury occurred the amount required to be paid to the owners of the property, as evidenced by a receipt, judgment, or transcript, and the amount of its expenses reasonably incurred in defending a civil action brought by that person.

(c) SPECIAL RULES.—

(1) MOTOR CARRIERS.—

(A) SHIPPER WAIVER.—Subject to the provisions of subparagraph (B), a carrier providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 may, subject to the provisions of this chapter (including with respect to a motor carrier, the requirements of section 13710(a)), establish rates for the transportation of property (other than household goods described in section 13102(10)(A)) under which the liability of the carrier for such property is limited to a value established by written or electronic declaration of the shipper or by written agreement between the carrier and shipper if that value would be reasonable under the circumstances surrounding the transportation.

(B) CARRIER NOTIFICATION.—If the motor carrier is not required to file its tariff with the Board, it shall provide under section 13710(a)(1) to the shipper, on request of the shipper, a written or electronic copy of the rate, classification, rules, and practices upon which any rate applicable to a shipment, or agreed to between the shipper and the carrier, is based. The copy provided by the carrier shall clearly state the dates of applicability of the rate, classification, rules, or practices.

(C) PROHIBITION AGAINST COLLECTIVE ESTABLISHMENT.—No discussion, consideration, or approval as to rules to limit liability under this subsection may be undertaken by carriers acting under an agreement approved pursuant to section 13703.

(2) WATER CARRIERS.—If loss or injury to property occurs while it is in the custody of a water carrier, the liability of that carrier is determined by its bill of lading and the law applicable to water transportation. The liability of the initial or delivering carrier is the same as the liability of the water carrier.

(d) CIVIL ACTIONS.—

(1) AGAINST DELIVERING CARRIER.—A civil action under this section may be brought against a delivering carrier in a district court of the United States or in a State court. Trial, if the action is brought in a district court of the United States is in a judicial district, and if in a State court, is in a State through which the defendant carrier operates.

(2) AGAINST CARRIER RESPONSIBLE FOR LOSS.—A civil action under this section may be brought against the carrier

alleged to have caused the loss or damage, in the judicial district in which such loss or damage is alleged to have occurred.

(3) JURISDICTION OF COURTS.—A civil action under this section may be brought in a United States district court or in a State court.

(4) JUDICIAL DISTRICT DEFINED.—In this section, “judicial district” means—

(A) in the case of a United States district court, a judicial district of the United States; and

(B) in the case of a State court, the applicable geographic area over which such court exercises jurisdiction.

(e) MINIMUM PERIOD FOR FILING CLAIMS.—

(1) IN GENERAL.—A carrier may not provide by rule, contract, or otherwise, a period of less than 9 months for filing a claim against it under this section and a period of less than 2 years for bringing a civil action against it under this section. The period for bringing a civil action is computed from the date the carrier gives a person written notice that the carrier has disallowed any part of the claim specified in the notice.

(2) SPECIAL RULES.—For the purposes of this subsection—

(A) an offer of compromise shall not constitute a disallowance of any part of the claim unless the carrier, in writing, informs the claimant that such part of the claim is disallowed and provides reasons for such disallowance; and

(B) communications received from a carrier’s insurer shall not constitute a disallowance of any part of the claim unless the insurer, in writing, informs the claimant that such part of the claim is disallowed, provides reason for such disallowance, and informs the claimant that the insurer is acting on behalf of the carrier.

(f) LIMITING LIABILITY OF HOUSEHOLD GOODS CARRIERS TO DECLARED VALUE.—A carrier or group of carriers subject to jurisdiction under subchapter I or III of chapter 135 may petition the Board to modify, eliminate, or establish rates for the transportation of household goods under which the liability of the carrier for that property is limited to a value established by written declaration of the shipper or by a written agreement.

(g) MODIFICATIONS AND REFORMS.—

(1) STUDY.—The Secretary shall conduct a study to determine whether any modifications or reforms should be made to the loss and damage provisions of this section, including those related to limitation of liability by carriers.

(2) FACTORS TO CONSIDER.—In conducting the study, the Secretary, at a minimum, shall consider—

(A) the efficient delivery of transportation services;

(B) international and intermodal harmony;

(C) the public interest; and

(D) the interest of carriers and shippers.

(3) REPORT.—Not later than 12 months after January 1, 1996, the Secretary shall submit to Congress a report on the results of the study, together with any recommendations of the Secretary (including legislative recommendations) for imple-

menting modifications or reforms identified by the Secretary as being appropriate.

§ 14707. Private enforcement of registration requirement

(a) **IN GENERAL.**—If a person provides transportation by motor vehicle or service in clear violation of section 13901–13904 or 13906, a person injured by the transportation or service may bring a civil action to enforce any such section. In a civil action under this subsection, trial is in the judicial district in which the person who violated that section operates.

(b) **PROCEDURE.**—A copy of the complaint in a civil action under subsection (a) shall be served on the Secretary and a certificate of service must appear in the complaint filed with the court. The Secretary may intervene in a civil action under subsection (a). The Secretary may notify the district court in which the action is pending that the Secretary intends to consider the matter that is the subject of the complaint in a proceeding before the Secretary. When that notice is filed, the court shall stay further action pending disposition of the proceeding before the Secretary.

(c) **ATTORNEY'S FEES.**—In a civil action under subsection (a), the court may determine the amount of and award a reasonable attorney's fee to the prevailing party. That fee is in addition to costs allowable under the Federal Rules of Civil Procedure.

§ 14708. Dispute settlement program for household goods carriers

(a) **OFFERING SHIPPERS ARBITRATION.**—As a condition of registration under section 13902 or 13903, a carrier providing transportation of household goods subject to jurisdiction under subchapter I or III of chapter 135 must agree to offer in accordance with this section to shippers of household goods arbitration as a means of settling disputes between such carriers and shippers of household goods concerning damage or loss to the household goods transported.

(b) **ARBITRATION REQUIREMENTS.**—

(1) **PREVENTION OF SPECIAL ADVANTAGE.**—The arbitration that is offered must be designed to prevent a carrier from having any special advantage in any case in which the claimant resides or does business at a place distant from the carrier's principal or other place of business.

(2) **NOTICE OF ARBITRATION PROCEDURE.**—The carrier must provide the shipper an adequate notice of the availability of neutral arbitration, including a concise easy-to-read, accurate summary of the arbitration procedure, any applicable costs, and disclosure of the legal effects of election to utilize arbitration. Such notice must be given to persons for whom household goods are to be transported by the carrier before such goods are tendered to the carrier for transportation.

(3) **PROVISION OF FORMS.**—Upon request of a shipper, the carrier must promptly provide such forms and other information as are necessary for initiating an action to resolve a dispute under arbitration.

(4) **INDEPENDENCE OF ARBITRATOR.**—Each person authorized to arbitrate or otherwise settle disputes must be inde-

pendent of the parties to the dispute and must be capable, as determined under such regulations as the Secretary may issue, to resolve such disputes fairly and expeditiously. The carrier must ensure that each person chosen to settle the disputes is authorized and able to obtain from the shipper or carrier any material and relevant information to the extent necessary to carry out a fair and expeditious decisionmaking process.

(5) APPORTIONMENT OF COSTS.—No shipper may be charged more than half of the cost for instituting an arbitration proceeding that is brought under this section. In the decision, the arbitrator may determine which party shall pay the cost or a portion of the cost of the arbitration proceeding, including the cost of instituting the proceeding.

(6) REQUESTS.—The carrier must not require the shipper to agree to utilize arbitration prior to the time that a dispute arises. If the dispute involves a claim for \$1,000 or less and the shipper requests arbitration, such arbitration shall be binding on the parties. If the dispute involves a claim for more than \$1,000 and the shipper requests arbitration, such arbitration shall be binding on the parties only if the carrier agrees to arbitration.

(7) ORAL PRESENTATION OF EVIDENCE.—The arbitrator may provide for an oral presentation of a dispute concerning transportation of household goods by a party to the dispute (or a party's representative), but such oral presentation may be made only if all parties to the dispute expressly agree to such presentation and the date, time, and location of such presentation.

(8) DEADLINE FOR DECISION.—The arbitrator must, as expeditiously as possible but at least within 60 days of receipt of written notification of the dispute, render a decision based on the information gathered; except that, in any case in which a party to the dispute fails to provide in a timely manner any information concerning such dispute which the person settling the dispute may reasonably require to resolve the dispute, the arbitrator may extend such 60-day period for a reasonable period of time. A decision resolving a dispute may include any remedies appropriate under the circumstances, including repair, replacement, refund, reimbursement for expenses, and compensation for damages.

(c) LIMITATION ON USE OF MATERIALS.—Materials and information obtained in the course of a decision making process to settle a dispute by arbitration under this section may not be used to bring an action under section 14905.

(d) ATTORNEY'S FEES TO SHIPPERS.—In any court action to resolve a dispute between a shipper of household goods and a carrier providing transportation or service subject to jurisdiction under subchapter I or III of chapter 135 concerning the transportation of household goods by such carrier, the shipper shall be awarded reasonable attorney's fees if—

(1) the shipper submits a claim to the carrier within 120 days after the date the shipment is delivered or the date the delivery is scheduled, whichever is later;

(2) the shipper prevails in such court action; and

(3)(A) a decision resolving the dispute was not rendered through arbitration under this section within the period provided under subsection (b)(8) of this section or an extension of such period under such subsection; or

(B) the court proceeding is to enforce a decision rendered through arbitration under this section and is instituted after the period for performance under such decision has elapsed.

(e) ATTORNEY'S FEES TO CARRIERS.—In any court action to resolve a dispute between a shipper of household goods and a carrier providing transportation, or service subject to jurisdiction under subchapter I or III of chapter 135 concerning the transportation of household goods by such carrier, such carrier may be awarded reasonable attorney's fees by the court only if the shipper brought such action in bad faith—

(1) after resolution of such dispute through arbitration under this section; or

(2) after institution of an arbitration proceeding by the shipper to resolve such dispute under this section but before—

(A) the period provided under subsection (b)(8) for resolution of such dispute (including, if applicable, an extension of such period under such subsection) ends; and

(B) a decision resolving such dispute is rendered.

(f) LIMITATION OF APPLICABILITY TO COLLECT-ON-DELIVERY TRANSPORTATION.—The provisions of this section shall apply only in the case of collect-on-delivery transportation of household goods.

(g) REVIEW BY SECRETARY.—Not later than 18 months after January 1, 1996, the Secretary shall complete a review of the dispute settlement program established under this section. If, after notice and opportunity for comment, the Secretary determines that changes are necessary to such program to ensure the fair and equitable resolution of disputes under this section, the Secretary shall implement such changes and transmit a report to Congress on such changes.

§ 14709. Tariff reconciliation rules for motor carriers of property

Subject to review and approval by the Board, motor carriers subject to jurisdiction under subchapter I of chapter 135 (other than motor carriers providing transportation of household goods) and shippers may resolve, by mutual consent, overcharge and under-charge claims resulting from incorrect tariff provisions or billing errors arising from the inadvertent failure to properly and timely file and maintain agreed upon rates, rules, or classifications in compliance with section 13702 or, with respect to transportation provided before January 1, 1996, sections 10761 and 10762, as in effect on December 31, 1995. Resolution of such claims among the parties shall not subject any party to the penalties for departing from a tariff.

(c) **FACTORS TO CONSIDER IN DETERMINING AMOUNT.**—In determining and negotiating the amount of a civil penalty under subsection (a) or (d) concerning transportation of household goods, the degree of culpability, any history of prior such conduct, the degree of harm to shipper or shippers, ability to pay, the effect on ability to do business, whether the shipper has been adequately compensated before institution of the proceeding, and such other matters as fairness may require shall be taken into account.

(e) VIOLATION RELATING TO TRANSPORTATION OF HOUSEHOLD GOODS.—Any person that knowingly engages in or knowingly authorizes an agent or other person—

(1) to falsify documents used in the transportation of household goods subject to jurisdiction under subchapter I or III of chapter 135 which evidence the weight of a shipment; or

(2) to charge for accessorial services which are not performed or for which the carrier is not entitled to be compensated in any case in which such services are not reasonably necessary in the safe and adequate movement of the shipment; is liable to the United States for a civil penalty of not less than \$2,000 for each violation and of not less than \$5,000 for each subsequent violation. In a civil action under this section, all money or other consideration received by the person during a period of 6 years before an action is brought under this section may be included in determining the amount of the penalty, and if that total amount is included, the penalty shall be 3 times that total amount.

A person required to make a report to the Secretary or the Board, as applicable, answer a question, or make, prepare, or preserve a record under this part about transportation subject to jurisdiction under subchapter I or III of chapter 135, or an officer, agent, or employee of that person, that—

(2) PENALTY.—A person violating paragraph (1) of this subsection is liable to the United States for a civil penalty of not more than \$2,000.

(b) LIMITATION ON STATUTORY CONSTRUCTION.—This part does not prevent a carrier or broker providing transportation subject to jurisdiction under chapter 135 from giving information—

(1) in response to legal process issued under authority of a court of the United States or a State;

(2) to an officer, employee, or agent of the United States Government, a State, or a territory or possession of the United States; or

A separate violation occurs each day the violation continues.

§ 14911. Punishment of corporation for violations committed by certain individuals

An act or omission that would be a violation of this part if committed by a director, officer, receiver, trustee, lessee, agent, or em-

The penalties of this chapter apply to that violation. When acting in the scope of their employment, the actions and omissions of individuals acting for or employed by that carrier are considered to be the actions and omissions of that carrier as well as that individual.

§ 14912. Weight-bumping in household goods transportation

(a) **WEIGHT-BUMPING DEFINED.**—For the purposes of this section, “weight-bumping” means the knowing and willful making or securing of a fraudulent weight on a shipment of household goods which is subject to jurisdiction under subchapter I or III of chapter 135.

(b) **PENALTY.**—Whoever has been found to have committed weight-bumping shall be fined under title 18 or imprisoned not more than 2 years, or both.

§ 14913. Conclusiveness of rates in certain prosecutions

When a carrier publishes or files a particular rate under section 13702 or participates in such a rate, the published or filed rate is conclusive proof against that carrier, its officers, and agents that it is the legal rate for that transportation or service in a proceeding begun under section 14902 or 14903. A departure, or offer to depart, from that published or filed rate is a violation of those sections.

§ 14914. Civil penalty procedures

(a) **IN GENERAL.**—After notice and an opportunity for a hearing, a person found by the Surface Transportation Board to have violated a provision of law that the Board carries out or a regulation prescribed under that law by the Board that is related to transportation which occurs under subchapter II of chapter 135 for which a civil penalty is provided, is liable to the United States for the civil penalty provided. The amount of the civil penalty shall be assessed by the Board by written notice. In determining the amount of the penalty, the Board shall consider the nature, circumstances, extent, and gravity of the prohibited acts committed and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other matters that justice requires.

(b) **COMPROMISE.**—The Board may compromise, modify, or remit, with or without consideration, a civil penalty until the assessment is referred to the Attorney General.

- (6) the United States and another place in the United States through a foreign country; or
- (7) the United States and a place in a foreign country.

(b) NO JURISDICTION OVER INTRASTATE TRANSPORTATION.—The Board does not have jurisdiction under subsection (a) over the transportation of property, or the receipt, delivery, storage, or handling of property, entirely in a State (other than the District of Columbia) and not transported between a place in the United States and a place in a foreign country except as otherwise provided in this part.

(c) PROTECTION OF STATES POWERS.—This part does not affect the power of a State, in exercising its police power, to require reasonable intrastate transportation by carriers providing transportation subject to the jurisdiction of the Board under this chapter unless the State requirement is inconsistent with an order of the Board issued under this part or is prohibited under this part.

§ 15302. Authority to exempt pipeline carrier transportation

(a) IN GENERAL.—In a matter related to a pipeline carrier providing transportation subject to jurisdiction under this chapter, the Board shall exempt a person, class of persons, or a transaction or service when the Board finds that the application, in whole or in part, of a provision of this part—

- (1) is not necessary to carry out the transportation policy of section 15101; and
- (2) either (A) the transaction or service is of limited scope, or (B) the application, in whole or in part, of the provision is not needed to protect shippers from the abuse of market power.

CHAPTER 155—RATES

Sec.

15501. Standards for pipeline rates, classifications, through routes, rules, and practices.

15502. Authority for pipeline carriers to establish rates, classifications, rules, and practices.

15503. Authority and criteria: rates, classifications, rules, and practices prescribed by Board.

15504. Government traffic.

15505. Prohibition against discrimination by pipeline carriers.

15506. Facilities for interchange of traffic.

§ 15501. Standards for pipeline rates, classifications, through routes, rules, and practices

(a) REASONABLENESS.—A rate, classification, rule, or practice related to transportation or service provided by a pipeline carrier subject to this part must be reasonable. A through route established by such a carrier must be reasonable.

(b) NONDISCRIMINATION.—A pipeline carrier providing transportation subject to this part may not discriminate in its rates against a connecting line of any other pipeline, rail, or water carrier providing transportation subject to this subtitle or unreasonably discriminate against that line in the distribution of traffic that is not routed specifically by the shipper.

§ 15502. Authority for pipeline carriers to establish rates, classifications, rules, and practices

A pipeline carrier providing transportation or service subject to this part shall establish—

(1) rates and classifications for transportation and service it may provide under this part; and

(2) rules and practices on matters related to that transportation or service.

§ 15503. Authority and criteria: rates, classifications, rules, and practices prescribed by Board

(a) IN GENERAL.—When the Board, after a full hearing, decides that a rate charged or collected by a pipeline carrier for transportation subject to this part, or that a classification, rule, or practice of that carrier, does or will violate this part, the Board may prescribe the rate, classification, rule, or practice to be followed. In prescribing the rate, classification, rule, or practice, the Board may utilize rate reasonableness procedures that provide an effective

simulation of a market-based price for a stand alone pipeline. The Board may order the carrier to stop the violation. When a rate, classification, rule, or practice is prescribed under this subsection, the affected carrier may not publish, charge, or collect a different rate and shall adopt the classification and observe the rule or practice prescribed by the Board.

(b) **FACTORS TO CONSIDER.**—When prescribing a rate, classification, rule, or practice for transportation or service by a pipeline carrier, the Board shall consider, among other factors—

(1) the effect of the prescribed rate, classification, rule, or practice on the movement of traffic by that carrier;

(2) the need for revenues that are sufficient, under honest, economical, and efficient management, to let the carrier provide that transportation or service; and

(3) the availability of other economic transportation alternatives.

(c) **PROCEEDING.**—The Board may begin a proceeding under this section on complaint. A complaint under this section must contain a full statement of the facts and the reasons for the complaint and must be made under oath.

§ 15504. Government traffic

A pipeline carrier providing transportation or service for the United States Government may transport property for the United States Government without charge or at a rate reduced from the applicable commercial rate. Section 3709 of the Revised Statutes (41 U.S.C. 5) does not apply when transportation for the United States Government can be obtained from a carrier lawfully operating in the area where the transportation would be provided.

§ 15505. Prohibition against discrimination by pipeline carriers

A pipeline carrier providing transportation or service subject to this part may not subject a person, place, port, or type of traffic to unreasonable discrimination.

§ 15506. Facilities for interchange of traffic

A pipeline carrier providing transportation subject to this part shall provide reasonable, proper, and equal facilities that are within its power to provide for the interchange of traffic between, and for the receiving, forwarding, and delivering of property to and from, its respective line and a connecting line of a pipeline, rail, or water carrier under this subtitle.

(2) has made arrangements with the carrier for a shipment that would be subject to such increased rates or changed terms.

(1) inspect and examine the lands, buildings, and equipment of a pipeline carrier or lessor; and

(2) inspect and copy any record of—

(B) a person controlling, controlled by, or under common control with a pipeline carrier if the Board considers inspection relevant to that person's relation to, or transaction with, that carrier.

(c) PRESERVATION PERIOD.—The Board may prescribe the time period during which operating, accounting, and financial records must be preserved by pipeline carriers and lessors.

§ 15723. Reports by carriers, lessors, and associations

(b) UNDER OATH.—Any report under this section shall be made under oath.

CHAPTER 159—ENFORCEMENT: INVESTIGATIONS, RIGHTS, AND REMEDIES

Sec.

15901. General authority.

15902. Enforcement by the Board.

15903. Enforcement by the Attorney General.

15904. Rights and remedies of persons injured by pipeline carriers.

15905. Limitation on actions by and against pipeline carriers.

15906. Liability of pipeline carriers under receipts and bills of lading.

§ 15901. General authority

(a) INVESTIGATION; COMPLIANCE ORDER.—Except as otherwise provided in this part, the Board may begin an investigation under this part only on complaint. If the Board finds that a pipeline carrier is violating this part, the Board shall take appropriate action to compel compliance with this part. The Board shall provide the carrier notice of the investigation and an opportunity for a proceeding.

(b) COMPLAINT.—A person, including a governmental authority, may file with the Board a complaint about a violation of this part by a pipeline carrier providing transportation or service subject to this part. The complaint must state the facts that are the subject of the violation. The Board may dismiss a complaint it determines does not state reasonable grounds for investigation and action. However, the Board may not dismiss a complaint made against a pipeline carrier providing transportation subject to this part because of the absence of direct damage to the complainant.

(c) AUTOMATIC DISMISSAL.—A formal investigative proceeding begun by the Board under subsection (a) is dismissed automatically unless it is concluded by the Board with administrative finality by the end of the 3d year after the date on which it was begun.

§ 15902. Enforcement by the Board

The Board may bring a civil action to enforce an order of the Board, except a civil action to enforce an order for the payment of money, when it is violated by a pipeline carrier providing transportation subject to this part.

§ 15903. Enforcement by the Attorney General

(a) ON BEHALF OF BOARD.—The Attorney General may, and on request of the Board shall, bring court proceedings to enforce this part or a regulation or order of the Board and to prosecute a person violating this part or a regulation or order of the Board issued under this part.

(b) ON BEHALF OF OTHERS.—The United States Government may bring a civil action on behalf of a person to compel a pipeline carrier providing transportation or service subject to this part to provide that transportation or service to that person in compliance with this part at the same rate charged, or on conditions as favorable as those given by the carrier, for like traffic under similar conditions to another person.

§ 15904. Rights and remedies of persons injured by pipeline carriers

(a) ENFORCEMENT OF ORDERS.—A person injured because a pipeline carrier providing transportation or service subject to this part does not obey an order of the Board, except an order for the payment of money, may bring a civil action to enforce that order under this subsection.

(b) LIABILITY OF CARRIER.—

(1) EXCESSIVE CHARGES.—A pipeline carrier providing transportation subject to this part is liable to a person for amounts charged that exceed the applicable rate for the transportation.

(2) DAMAGES.—A pipeline carrier providing transportation subject to this part is liable for damages sustained by a person as a result of an act or omission of that carrier in violation of this part.

(c) COMPLAINTS.—

(1) FILING.—A person may file a complaint with the Board under section 15901(b) or bring a civil action under subsection (b) to enforce liability against a pipeline carrier providing transportation subject to this part.

(2) PAYMENT DEADLINE.—When the Board makes an award under subsection (b), the Board shall order the carrier to pay the amount awarded by a specific date. The Board may order a carrier providing transportation subject to this part to pay damages only when the proceeding is on complaint. The person for whose benefit an order of the Board requiring the payment of money is made may bring a civil action to enforce that order under this paragraph if the carrier does not pay the amount awarded by the date payment was ordered to be made.

(d) CIVIL ACTIONS.—

(1) COMPLAINT.—When a person begins a civil action under subsection (b) to enforce an order of the Board requiring the

payment of damages by a pipeline carrier providing transportation subject to this part, the text of the order of the Board must be included in the complaint. In addition to the district courts of the United States, a State court of general jurisdiction having jurisdiction of the parties has jurisdiction to enforce an order under this paragraph. The findings and order of the Board are competent evidence of the facts stated in them. Trial in a civil action brought in a district court of the United States under this paragraph is in the judicial district in which the plaintiff resides or in which the principal operating office of the carrier is located. In a civil action under this paragraph, the plaintiff is liable for only those costs that accrue on an appeal taken by the plaintiff.

(2) ATTORNEY'S FEES.—The district court shall award a reasonable attorney's fee as a part of the damages for which a carrier is found liable under this subsection. The district court shall tax and collect that fee as a part of the costs of the action.

§ 15905. Limitation on actions by and against pipeline carriers

(a) IN GENERAL.—A pipeline carrier providing transportation or service subject to this part must begin a civil action to recover charges for transportation or service provided by the carrier within 3 years after the claim accrues.

(b) OVERCHARGES.—A person must begin a civil action to recover overcharges under section 15904(b)(1) within 3 years after the claim accrues. If an election to file a complaint with the Board is made under section 15904(c)(1), the complaint must be filed within 3 years after the claim accrues.

(c) DAMAGES.—A person must file a complaint with the Board to recover damages under section 15904(b)(2) within 2 years after the claim accrues.

(d) EXTENSIONS.—The limitation periods under subsection (b) are extended for 6 months from the time written notice is given to the claimant by the carrier of disallowance of any part of the claim specified in the notice if a written claim is given to the carrier within those limitation periods. The limitation periods under subsection (b) and the 2-year period under subsection (c) are extended for 90 days from the time the carrier begins a civil action under subsection (a) to recover charges related to the same transportation or service, or collects (without beginning a civil action under that subsection) the charge for that transportation or service if that action is begun or collection is made within the appropriate period.

(e) PAYMENT.—A person must begin a civil action to enforce an order of the Board against a carrier for the payment of money within one year after the date the order required the money to be paid.

(f) GOVERNMENT TRANSPORTATION.—This section applies to transportation for the United States Government. The time limitations under this section are extended, as related to transportation for or on behalf of the United States Government, for 3 years from the date of—

- (1) payment of the rate for the transportation or service involved,
 - (2) subsequent refund for overpayment of that rate, or
 - (3) deduction made under section 3726 of title 31,
- whichever is later.

(g) ACCRUAL DATE.—A claim related to a shipment of property accrues under this section on delivery or tender of delivery by the carrier.

§ 15906. Liability of pipeline carriers under receipts and bills of lading

(a) GENERAL LIABILITY.—A pipeline carrier providing transportation or service subject to this part shall issue a receipt or bill of lading for property it receives for transportation under this part. That carrier and any other carrier that delivers the property and is providing transportation or service subject to jurisdiction under this part are liable to the person entitled to recover under the receipt or bill of lading. The liability imposed under this subsection is for the actual loss or injury to the property caused by the carrier over whose line or route the property is transported in the United States or from a place in the United States to a place in an adjacent foreign country when transported under a through bill of lading. Failure to issue a receipt or bill of lading does not affect the liability of a carrier.

(b) APPORTIONMENT.—The carrier issuing the receipt or bill of lading under subsection (a) or delivering the property for which the receipt or bill of lading was issued is entitled to recover from the carrier over whose line or route the loss or injury occurred the amount required to be paid to the owners of the property, as evidenced by a receipt, judgment, or transcript, and the amount of its expenses reasonably incurred in defending a civil action brought by that person.

(c) CIVIL ACTIONS.—A civil action under this section may be brought against a delivering carrier in a district court of the United States or in a State court. Trial, if the action is brought in a district court of the United States is in a judicial district, and if in a State court, is in a State, through which the defendant carrier operates a line or route.

(d) MINIMUM PERIOD FOR FILING CLAIMS.—A pipeline carrier may not provide by rule, contract, or otherwise, a period of less than 9 months for filing a claim against it under this section and a period of less than 2 years for bringing a civil action against it under this section. The period for bringing a civil action is computed from the date the carrier gives a person written notice that the carrier has disallowed any part of the claim specified in the notice. For the purposes of this subsection—

(1) an offer of compromise shall not constitute a disallowance of any part of the claim unless the carrier, in writing, informs the claimant that such part of the claim is disallowed and provides reasons for such disallowance; and

(2) communications received from a carrier's insurer shall not constitute a disallowance of any part of the claim unless the insurer, in writing, informs the claimant that such part of the claim is disallowed, provides reasons for such disallowance,

and informs the claimant that the insurer is acting on behalf of the carrier.
